The Interior Design Productivity Toolbox booklet

P

This book has literally saved me THOUSANDS by preventing mistakes The checklists are so detailed that all the energy you might spend getting ready for a proposal isn't wasted on worrying you forget something major English This is an interior design bible for everyone in the field from a first year design student to a busy successful design professional who has practiced for many years I found it tremendously helpful for myself as a recent graduate and a starting professional This is not just a one time read I keep this book every day on my desk Very important forms and check lists from Interior Design Productivity Toolbox are my number one go to materials that save my time and keep me organized on a daily basis English This is the best book to organize any project with detailed checklists to ensure that your projects run smoothly I would recommend it to all designers English What a great find So happy I discovered this book The author very generously and candidly shares her interior design best practices which she developed over the last few decades Such a refreshing moment in this often so secretive industry Anyone doing interior design no matter how seasoned will find something for themselves here I will definitely apply many of the systems in my own practice and share with colleagues This is also a must have for recent grads who starting out in the business Highly recommend Ewa principal at Sova Studio English Good for interior design students and professionals not for casual reader interested in design English.
