

## EBook The Five invitations wedding

As promised Frank Ostaseski There is timeless wisdom here But you can say that of many books can't you What makes this book the uniuue illuminating joy that it is is Frank's down to earth no nonsense way of writing A distillation of his extraordinary life no doubt This is real no dogma no obscure mysticisms We all choose different logs for our raft don't we and I can heartily recommend this selection of building material Don't be put off by what you might think this is about I found the cover a little misleading this is first and foremost a celebration of life Frank uses death as my old Sgt Major would say to concentrate minds and he does it better than any person I know Frank Ostaseski This is a really memorable book As I have been reading it I have noticed my whole being settling as if coming in to contact with some deeply nourishing soul food One of the invitations is Find a place of rest in the middle of things and this is what the book provides a holding of that place of spaciousness and rest for the reader There are many end of life stories in the book but it is never depressing or sad The author's own capacity to be with whatever arises shines through and through this our own fears and aversion to death can be held gently and with compassion The way he has worked with his own life experiences serve to show how it is possible to make space for even the most difficult or challenging of circumstances and allow them to break us open in to our full humanity which is not always pretty or tidy This book is a total delight from start to finish and the wisdom light and compassionate presence of the author shines through on every page Don't be put off by the sub title this is about life in all its glory Jump right in Frank Ostaseski Amazing Supportive Love the personal stories illustrating the Invitations Frank Ostaseski Good book Frank Ostaseski

The cofounder of the Zen Hospice Project and pioneer behind the compassionate care movement shares an inspiring exploration of the lessons dying has to offer about living a fulfilling life Death is not waiting for us at the end of a long road Death is always with us in the marrow of every passing moment She is the secret teacher hiding in plain sight helping us to discover what matters most Life and death are a package deal They cannot be pulled apart and we cannot truly live unless we are aware of death The Five Invitations is an exhilarating meditation on the meaning of life and how maintaining an ever present consciousness of death can bring us closer to our truest selves As a renowned teacher of compassionate caregiving and the cofounder of the Zen Hospice Project Frank Ostaseski has sat on the precipice of death with than a thousand people In The Five Invitations he distills the lessons gleaned over the course of his career offering an evocative and stirring guide that points to a radical path to transformation The Five Invitations Don't Wait Welcome Everything Push Away Nothing Bring Your Whole Self to the Experience Find a Place of Rest in the Middle of Things Cultivate Don't Know Mind These Five Invitations show us how to wake up fully to our lives They can be understood as best practices for anyone coping with loss or navigating any sort of transition or crisis; they guide us toward appreciating life's preciousness Awareness of death can be a valuable companion on the road to living well forging a rich and meaningful life and letting go of regret The

Five Invitations is a powerful and inspiring exploration of the essential wisdom dying has to impart to all of us. The cofounder of the Zen Hospice Project and pioneer behind the compassionate care movement shares an inspiring exploration of the lessons dying has to offer about living a fulfilling life. **The five invitations book** The Five Invitations: Discovering What Death Can Teach Us About Living Fully. It is a great book and it gave me great insight into practical side of facing death. In this book Frank describes his personal experience dealing with people who are about to die in the most simple and understandable way. I would read this book over and over again. Frank Ostaseski. An excellent read. Well written and engaging. Existential topic which doesn't shy from talk of death. Frank Ostaseski just started the book but it came highly recommended by several of my friends. Frank Ostaseski. Our meditation group used this book as the basis for our discussion for several months. It prompted great discussions not only about accepting death but learning to live fully now. This is one of the best books I've read. It teaches dharma in clear practical examples that resonate for a long time. Frank Ostaseski. Uite frankly I'm disappointed with this book and uit about 34 of the way through. It started out not badly but after a short time the message became redundant and sounding somewhat egocentric. All you need to know is the five invitations they say it all and you can read them in the description/review beside the book. Frank Ostaseski.
