

Choices: Interviewing and Counselling Skills for Canadians, (2-downloads) By Shebib Bob Shebib Bob.

This is the eBook of the printed book and may not include any media website access codes or print supplements that may come packaged with the bound book. The seventh edition of Choices: Interviewing and Counselling Skills for Canadians maintains its basic format and its objective as an introductory textbook for students in counselling training programs and a practice reference for professionals in social work criminology nursing child and youth care addictions psychology as well as professionals and volunteers in other professions whose work involves interviewing and counselling. A continuing best seller in Canada Choices: Interviewing and Counselling Skills for Canadians combines theory practice examples with sample interviews and challenging self awareness exercises in a comprehensive yet readable format:

It's all about developing proper skills when conducting a meeting with client and goes on depth ethical and moral practices: Shebib Bob Had to buy this for class and it came quickly plus was cheaper than the school bookstore: I normally sell my text books but this is a good reference to learnings and definitions, Shebib Bob It's disappointing to pay so much for an e textbook and then have so many issues with highlighting text to help with reviewing the material: The app has serious issues with selecting the appropriate text and quite often will inadvertently choose extra lines or text that I don't want to highlight, It is aimed at professionals aspiring to gain a wide range of skills based on supported theory and evidence based best practices: Although framed in the Canadian ethical and cultural context the content of the book is designed to appeal to a broad international audience of professionals. Choices: Interviewing and Counselling Skills for Canadians (2-downloads) I paid than \$140 for a textbook that arrived with a bent and damaged cover. The used textbook I got a few days ago for significantly less money arrived in great condition from another seller, Book is great for those looking to become Social or Social Service workers in Canada.

. Very informative and updated examples. Shebib Bob I need this book for college classes. Arrived quickly. In good condition. Very annoying considering the steep prices for e textbooks. Not impressed. Shebib Bob Fast delivery
