

Narrow Boats: Care and Maintenance By Nick Billingham **Book Narrow boatsetter** Narrow Boats: Care and Maintenance

Good useful advice the only thing I would comment on is that the pictures could have been in colour although my husband prefers the black and white. **Narrow boats brokers** Hardcover Great read very informative x Hardcover I bought this book for my mom and dad who were selling up their family home and moving onto a narrow boat they love the book; my dad in particular finds it incredibly useful and helped prepare my parents for all the challenges of narrow boat life. **Narrow boats kennet and avon canal** I bought it as it had Hardcover All systems are well explained and the various options fully discussed the author has then given his opinion on why he has chosen a particular way of doing things which I find helpful. **Narrow boat salvage sales** By reading and following the advice I hope to avoid some of the pitfalls of fitting out Hardcover The book arrived early and although an early edition(1995) was still full of useful information Hardcover Very useful easy to read covers all systems on a narrowboat Hardcover This an excellent book but it could do with a refresh.
