

Swiss Federal Design Grants 2006 By Bundesamt für Kultur

Each year on the occasion of the annual Federal Design Award the Swiss Federal Office of Culture and this year in cooperation with the Museum fA1/4r Gestaltung in Zurich prepares a publication and an exhibition. These serve as platforms for the optimal presentation and documentation of all of the prizewinners together with their prizewinning projects. Every three years a new innovative young designer is invited to execute the publications graphic design. Swiss Federal Design Grants 2006
