Three stars for the story but at least four stars for the illustrations! Paperback Certain story ideas lend themselves well to the gamebook structure and a Halloween party at a spooky mansion is one such idea. **Haunted Halloween partyfilet** You are dressed as a blue piglike space alien and Nancy as a traditional witch as you wave goodbye to your father in his car and walk up the hill toward the Brill mansion. **Haunted Halloween partyaid** The night may have turned out perfectly normal if you and Nancy hadn't taken a shortcut through the bushes but you arrive at and enter the house ahead of her and are shocked to see a different kind of party than you expected. **Book Haunted**

Halloween party near me You could try to herd them toward your home and hope your mother sees you're in danger but is it wise to lead these haunts to your doorstep? They believe you're an alien but how long can you perpetuate the ruse? Alternatively you could get them to roam near the Wilsons' house; the Wilsons have a dog Max that might attack your paranormal companions.

Haunted Halloween partyaid If it's a real witch how will she react to finding out you're human? You could end up on the run with your sister riding a long tunnel down through the mansion's walls or climbing out a second-floor window to the roof. **Haunted Halloween partybell** Is Nancy able to fake flying on a witch's broom long enough to keep attention away from the two of you? In other story paths you might bump into a witch bobbing for toads rather than apples or sneak into the dark labyrinthine cellar to limit your exposure to the ghouls and ghosts dancing on the above floor.

Haunted Halloween Party booking If the monstrous guests catch up to you you'll be in for a terrifying Halloween; but if you navigate the cellar passageways correctly you could find the party you meant to attend at the Brill mansion and leave this nightmare behind once and for all. **Haunted Halloween partycasino fun** Do you have the good judgment and luck to survive your brush with the supernatural? More so than usual for the Bantam Skylark Choose Your Own Adventure series the star of Haunted Halloween Party is the illustrator Ron Wing, **Kindle Haunted Halloween**

partynextdoor On Halloween night you and your older sister Nancy go to a party at the Brill mansion which has been abandoned for years: **Book Haunted Halloween party 2022** The skeletons witches and goblins aren't costumed kids; they're real and are carrying on in frightening ways: **Haunted Halloween partyena** You glance around frantically for Nancy but there's more than one witch nearby: **Haunted Halloween partyena** Is one of them your sister?
