#8)I haven't read many Amish stories but this title and story line caught my eye and I decided to read it. **Plain admirers meaning** The author does a wonderful job of writing the scenes to the point you feel you are riding in a horse drawn cart fishing on a lake or in a printing office learning how to use typeset. **Book Plain admirer meaning** I have to admit the fishing part brought back wonderful memories of my own childhood where my brother and I spent many days fishing in the canal across the road from our home. **Book Plain admirers all** Patricia Davids Such a wonderful book!! A quick and fun and at times scary read! I received this book through Net Galley and the Publisher Harlequin and was not required to give a positive review. **Book Plain admirer** Will the letters continue for Joann to discover who was so thoughtful and caring? Will Joann happiness be restored or will she continue to suffer disappointment and disapproval from her married brothers? Patricia Davids' stories are lighthearted filled with action romance faith and second chances,
