Loved it for beginner readers. Rádásul cukik az illusztrációk imádom ezt a stílust. Nem mellékesen a szöveg is aranyos. :) Childrens Young Adult 72 pages. It is cleverly done. It has been a very popular series at my school. Highly recommended for girls in grades 4-5. The illustrations are adorable Eva is so sweet. The writing and creativity of the story are wonderful. The illustrations are bright and cheerful. They are really the only characters in the story. Some of the story also takes place at Eva's school. (Things that I also like). She has family and pet Bat named Baxter. I liked it so much that have read it two times. Creative planning is fun for her. This story is adorable in so many ways. Yes that actually happens. The character designs are eye-pleasing. The visual appeal and sturdy moral are worth that. Will Eva have to ask Sue (a.k.a. {site_link}).
