They never even had ONE PERSONAL CONVERSATION: **Sheik defensehub** Tag onto the lifeless romance and Ava's Too Stupid To Live buffoonery a boring suspense-free plot, **Sheik defensef family** We know who the bad guy is from the very opening chapter. **Shaikh vs sheikh** Then it's just Ava trying to track down documents that prove he was into shonky land deals and Faisal floundering around after her, **Sheik defenseb book** YAWN! . I can't wait to read more work from Ryshia!. Sorry it took me so long but been watching Olympics too. Want to read more of this author. Romance Suspense Fiction Great Finish to a great series. Romance Suspense Fiction What a thoroughly enjoyable read. I was engaged right from the beginning. The characters and storyline were well developed. Things get tense and plans go awry. Faisal is a sheik as are his brothers. They have also known Dan and his daughter Ava for years. I look forward to reading future books my Ms. Kennie. Terrified for her father Ava drifts at sea. Faisal and his family are longtime friends of Dan and Ava. I definitely wanted to shake Ava at times. I really liked Faisal throughout the book. Faisal's big moment at the end was sweet and romantic. And here's where we have our first major problem. And here is where the problem continues. EVER. That's it. She is clearly out of her depth in this genre. Or you would hope so
