Kristen Ciccarelli is an internationally bestselling author whose books have been translated into a dozen languages. **The Last Namsara ebooks** She is happiest when she's reading a good book by a warm fire or chasing her giggly daugh Kristen Ciccarelli is an internationally bestselling author whose books have been translated into a dozen languages. **The Last Namsara kindle fire** I haven't stopped grinning since the last 4 chapters of this book I don't think I can! I was entranced by this book since the first sentence and I know this is going to be one of this year's favorites. **The Last Namsara kindle cloud** This book was one of my most anticipated reads of this and my expectations were pretty high and I can say with no doubt that all my expectations were met and that I love this book. **The Last Namsara fantasy 5** It's a story about a girl who grew up to become an Iskari; a death bringer a dragon slayer and the opportunity presented to her that just might allow her to escape the clutches of the betrothal that she never wanted and a life of loneliness she never chose. **Kindle The Last namsara book** Old Stories are banned in Firgaard they are believed to cause death and destruction so what shall happen to a girl who is using these stories to lure dragons especially when these stories seem to make the dragons more powerful? I liked a lot of things about this book but two of my favorite are the protagonist and the method in which the author wrote this book. **Kindle The Last namsara series** Once in a while we come across a love interest but the story is told in such a way that it makes the protagonist oblivious to the relationship which we all know is going to come. **The Last Namsara kindle direct** I really like the fact that the author didn't try to hide what we would have easily figured out but she took it and expanded the thoughts surrounding the concept and not just in the sense of love interests. **The Last Namsara fantasy book** It was actually the cover (although not the prettiest) that shone brightly to me and captured my attention as I was book shopping (because when am I not?) The Last Namsara is a debut YA fantasy novel revolving around Asha a kickass heroine that uses an ax to hunt down dragons. **PDF The Last namsara free** The Dragon King needed to protect his little daughter from everyone taking the blame but even with that the people still called the crying little girl Iskari for what she had done. **Fantasy The Last namsara book** Asha hunts and conquers each dragon she can find and brings its head to the king but even with every head she has brought her will awaiting her at her home is not over. **The Last Namsara pdf editor** With the help of a slave owned by the commandant and unallowed to touch anyone but his master the commandant that is supposed to marry Asha and take over her she begins to open her heart to the untold stories to love to freedom to free will and to a truth that has been kept from her from the people she least expected. **The Last Namsara bookworm** There are mixed reviews about this one said by a couple of friends but I have begun to not allow that to stop me from reading a book that may or may not become one of my favorites. **Kindle The Last namsara homecare** One of the biggest things it reminded me of Aelin was how Asha wears her scars with pride and does not let the terrors of the dragons stop her from dragon slaying and being feared. **PDF The Last namsara free** I think the author actually managed to give enough information about the MC and keep her role balanced and well laid out enough to keep me reading about her and the challenges she was facing. **PDF The Last namsara free** One of the things I loved so much about this was how the author kept the role of Asha and didn't change her for the worst but instead kept her character firm strong loyal and fierce for the best. **Book The Last namsara cast** The dragon even had a broken wing like Toothless! Righting himself Shadow's pale slitted eyes flickered over her checking for injury before narrowing on the commandant and the king

at her back. **Book The Last namsara cast** No matter what challenge she was about to face or what consequence she had just run into I was always rooting for her and screaming her name in my head wishing for her to just bash out and kill characters I didn't like. **The Last Namsara ebook free download** It was not simple but it was not complex and one of the best things was that every chapter and line ended with a sort of cliffhanger which always left me craving more of her writing and left me wanting to read more of what was left. **The Last Namsara kindle direct** Asha is a compassionate character who was so used to hearing insults and bad comments about her being in the kingdom ruled by her father and was used to not being looked at directly. **The Last Namsara fantasy 5** He was full of hate as well but it was different and he was used to being ordered around watching and obeying his cunning master Jarek that it got the point where he was being brutally hit that Asha being the strong yet scared girl had to step in front and stop it. **Kindle The Last namsaras** I felt bad for Asha because she was so used to being seen as strong and fierce not being scared of anything because she is a dragon slayer and not caring about anyone or anything but that wasn't true. **PDF The Last namsara** If she didn't care about anyone she wouldn't have protected Safire as a dragon began to breathe fire out as she was killing it; she would not have saved Torwin from being killed; she wouldn't have let some tears fall down as she saw someone special die; she wouldn't have remembered her mother and her past and how much she loved her. **The Last Namsara kindle cloud** There was plot twist after plot twist and everything was going down at once that it got to the point I had to stop because I remembered it was a buddy read and I needed to wait for May. **The Last Namsara kindle direct** There were stories about the Dragon Queen about the first Namsara and Iskari about Kozu and why he burned the city about The Old One about Elorma and Willa Rayan and Lillian and other characters that were the first to start everything that happened and I just thought reading about them was so interesting. **The Last Namsara book** Elorma Willa Rayan and Lillian don't have any roles in the story but they have some sort of role on some side characters which was nice to read about because we can learn more about the other characters main and side. **The Last Namsara book pdf** Paperback I'm loving my Fairyloot ♥ More pictures and synopsis of things on link below ♥ BOOKISH THINGS I freaking love this book!!!!!!!!!!!!!! It's on my favorites list now =) And it has dragons ♥ I put off reading this book for a long time because I thought it was just about some jerk girl that was killing dragons. **The Last Namsara kindle direct** But at least there was a happy ending! But we shall see what happens in the next book! Happy Reading! Mel ♥ MY BLOG: Melissa Martin's Reading List AMAZON REVIEW Paperback A story of stories and dragons who love them. **Book The Last namsara cast** (c)Q: But the day he found Lillian in the orange grove Rayan felt like the First Namsara laying eyes on his hika—his sacred mate his holy match fashioned for him by the Old One. **Kindle The Last namsara series** But it isn't until she becomes the fiercest most feared dragon slayer in the land that she takes on the role of the next Iskari—a lonely destiny that leaves her feeling more like a weapon than a girl. **Fantasy The Last namsara book** Asha conquers each dragon and brings its head to the king but no kill can free her from the shackles that await at home: her betrothal to the cruel commandant a man who holds the truth about her nature in his palm. **The Last Namsara ebook pdf** When she's offered the chance to gain her freedom in exchange for the life of the most powerful dragon in Firgaard she finds that there may be more truth to the ancient stories than she ever could have expected. **The Last Namsara kindle cloud** With the help of a secret friend—a slave boy from her betrothed's household—Asha must shed the layers of her Iskari bondage and open her heart to love light and a truth that has been kept from her. **The Last Namsara ebook free** Likes - asha is a butt kicking star- the writing is really fast paced and v easy to read- a prince who isn't an a\*shole (hes a precious boy)- very action packed - dragonssss ☐- stories within stories- it ties in really nicely together- the mc is a savage honestly i love this axe wielding beast Dislikes - the political building is weak- the pace was really quick but it made for many plot holes/too quick turn of events- the romance wasnt stellar for me- they be cute but. **The Last Namsara pdf converter** good book definitely a refreshing read ~~~~~ Buddy read with my girl maggie I HAVE SO MANY EXPECTATIONS FOR THIS ITS NOT GONNA BE FUN IF I DONT LIKE IT

(or i continue to slump for the rest of my life) Paperback The most simple thing I can say is this is the best book I have ever read and Kristen Ciccarelli is now my favorite author. **Book The Last namsara cast** all good in my book!the reason this wasnt a 5 star read for me was even though i thought it was an entertaining story i just couldnt shake the feeling that i had read it before? it honestly felt like nearly every other YA fantasy novel - it had a very formulaic plot line that was familiar and the writing didnt feel like it had its own voice. **The Last Namsara kindle cloud** still this was pretty good and i will most likely pick up the next book in the series when it comes out! 4 stars Paperback The plot!!! The characters!!! The DRAGONS!!! This story really has all the Elements I love best in fantasy a heart wrenching story with a main character who's villainized (is that a word?) there are plot twists and an unlikely romance all while maintaining a very bad ass main character. **The Last Namsara fantasy 5** This review is a mess but this book has quickly climbed its way into my favorites and my mind is all over the place trying to pin point what exactly made it so phenomenal:

again: I loved everything about this, **Book The Last namsara cast** This is one of the best YA fantasy debut novels I have ever read: **The Last Namsara pdf editor** This is not my favorite book but it has become one of my favorites (and favorite fantasy books for sure). **The Last Namsara kindle book** Honestly I knew this was fantasy and about dragons and that was it but that wasn't what intrigued me: **The Last Namsara booking** It all started with The Old One who was the first to create and see the First Dragon the dragon everyone in this world is afraid of. **The Last Namsara kindle store** He was bored one day so he created two creations: a golden child and a death child as they called it, **Book The Last namsara cast** The Golden Child was Namsara a child who always smiled and shone brightly bringing light and laughter: **Kindle The Last namsara homecare** The other child was Iskari a child of death who brought fear and death tremble and darkness, **The Last Namsara pdffiller** The reason The Old One created two different gendered people was that he needed the world to be balanced. **The Last Namsara ebook download** This made the Iskari mad making her turn against him which was a big mistake she had done: **Fantasy The Last namsara book** It all started with her betrayal and it ended with more betrayals as the stories live on. **The Last Namsara kindle reader** Iskari had been killed by The Old One himself and Namsara had found her dead shed tears for his sister and wished she hadn't done what she did. **Fantasy The Last namsara cast** Years pass and this story still exists along with other stories. **The Last Namsara book** These stories are illegal to tell in the world but the Iskari Asha still tells them: **The Last Namsara book 2** Asha is the daughter of the Dragon King and Queen sister of the Heir to the throne Dax and a dragon hunter: **The Last Namsara fantasy cast** She tells these stories in order to call out the dragons that still are around wandering and although the stories are forbidden to tell she does not listen, **The Last Namsara ebook download** Going back to the old days of Asha she had summoned the First Dragon and he had burned the whole city burning her face and giving her scars, **Fantasy The Last namsara book** Ever since then people look at Asha with fear are scared to look at her face and her scar and are scared to face her because of what she can do, **Book The Last namsara cast** Her mother would also tell her the stories to make her fall asleep. **Book The Last namsara homecare** She is instantly drawn to these figures of the past wanting to learn more about them until she becomes the most feared and strongest dragon slayer in the kingdom of Firgaard. **Fantasy The Last namsara cast** She is to be betrothed to the cunning and shameless commandant the man her father trusts the most controller of every soldier in the army: **Book The Last namsara homecare** This commandant knows the truth about Asha and her nature and in order for Asha to find that out she must kill the First Dragon Kozu and bring its head to the king, **Book The Last namsara cast** Kozu the dragon that burned the city when Asha told the stories to others without knowing the consequences and without knowing what would happen: **The Last Namsara booking** She did not know if anything was false or true so she told what she heard. **The Last Namsara ebook pdf** As Asha begins to hunt down Kozu she begins to hunt down her past her truth and the truth about these ancient stories she has been drawn to since little: **Kindle The Last namsaras** Iskari let others define her because she thought she didn't have a choice: **The Last Namsara kindle reader** Buddy read with MY FAV MAY This has become one of my favorite YA fantasy novels. **The Last Namsara pdf reader** It's a debut novel which makes it better because it was so different than what other authors have written. **Kindle The Last namsara book** The author herself said in her acknowledgments that she wanted to write something different than most others did, **The Last Namsara book 2** She wanted to write a story about a girl who was fierce and strong loyal and feared and she did and she did not fail: **The Last Namsara ebook reader** In this case it allowed me to find a new book I love: **The Last Namsara book series** The main character in particular reminded me of Aelin from the ToG series by SJM but this one was better the story and the character in every way. **PDF The Last namsara free** Like Aelin she wore scars without being ashamed and embarrassed but instead proud she overcame a fear and became strong because of it: **The Last Namsara fantasy 5** I really enjoy books with the not-so-typical fantasy female that says she will kill in order to protect but won't actually do it, **Kindle The Last namsaras** Asha did not say she will protect but she did say she will kill and hunt and so she did: **Book The Last namsara cast** She took

the symbol of the Dragon Queen her grandmother and she wore that badge with pride and honor: **The Last Namsara fantasy book** With that being said Asha has become one of my favorite female characters in YA fantasy and I cannot wait to see which paths she takes in the second and third book. **The Last Namsara book series** Although there was no sign of character development I feel like there really wasn't any needed. **The Last Namsara kindle cloud** Asha is a dragon hunter so she lived by telling the old stories and killing dragons she saw no matter what it took her: **The Last Namsara fantasy book** There were even times I felt bad for Asha because of what she had found out and what she had to face in the end: **The Last Namsara book 2** Hell there was even a scene in this book that made me cry! I don't know man but my animal loving emotions really hit hard with the dragons in this book, **The Last Namsara ebook pdf** If you're a fan of the movie How to Train your Dragon there is a dragon here that reminded me of Toothless and it was the reason I cried: **The Last Namsara ebooks** As if the Old One himself had woken from a too-long slumber angry ready to take back what belonged to him. **The Last Namsara pdf converter** One of the other things I loved about this was how Asha used her hands feet body and an ax to hunt down the dragons: **The Last Namsara fantasy cast** She preferred her weapons and armor over other weapons offered to her and hey if that isn't loyalty then I don't know what is, **Book The Last namsara cast** I fell in love with Asha right from the beginning and could not stop rooting for her. **PDF The Last namsara** This was a buddy read so it was difficult to keep up at first but since I was intrigued right from the beginning I wanted to keep reading until the end: **The Last Namsara pdf reader** I had read 100 pages and didn't notice because my attention was just on the book and nothing else which made me lose track of time: **Kindle The Last namsaras** In my reading experience that says a lot for a debut novel because debut novels don't always go as planned for me. **The Last Namsara kindle direct** Ciccarella managed to keep me reading from page 1 and so on without skipping any lines because of how easy it was to follow her writing. **Kindle The Last namsara homecare** Every last sentence ended with something that still had me completely hooked. **Book The Last namsara cast** I said I felt bad for Asha at times many times actually and its true I did, **The Last Namsara kindle reader** She was so used to being called the Iskari a death bringer a death child a child that brought betrayal and darkness to the people around her because of what she did: **Fantasy The Last namsara cast** Asha heard these stories from her mother her grandmother and the people around her: **The Last Namsara kindle book** Any young child would be curious and would begin to tell them aloud whether they were said the way it was supposed to be said or not. **The Last Namsara pdf converter** Because of what Asha was remembered and known as she had been insulted so many times and no one had loved her and really looked at her: **The Last Namsara fantasy 5** There's the exception of her father who loved her because he's her father but even her father was a bastard filled with lies and betrayal. **The Last Namsara pdf** Asha's brother and the slave Torwin owned by the commandant of the army Jarek were Asha's only support: **The Last Namsara pdf reader** Oh and I can't forget her loving beautiful and caring cousin Safire who supported everything Asha did and never left her behind no matter what excuse and lie Asha told him, **The Last Namsara book pdf** Her slaves were even afraid of her and would always be facing down when they entered her room to do their job which was pitiful and sad. **The Last Namsara kindle book** Since I said there is some slow-burn romance the slave Torwin also managed to be a support system of Asha and managed to catch my full attention, **The Last Namsara fantasy** She wasn't heartless she was just not sure to showing love because she was never shown any love. **Kindle The Last namsara series** With that being said Asha did not let her identify get in the way of her achievements, **Kindle The Last namsara homecare** Asha would fit into the category of coming-of-age because she grew to be an independent and fierce young woman: **Fantasy The Last namsara cast** Her whole life she was used to being ordered around by her father by being seen as a threat and by being lied to by the people she could not imagine. **Kindle The Last namsara series** She was able to find out the truths that lied in her nature and find out what her story really was: **PDF The Last namsara homecare** She was able to set herself free from the biggest cruelty that was awaiting her and was able to see what the kingdom of Friggard really was, **Book The Last namsara cast** She was not used to being

complimented that she took compliments as insults and wanted them to stop. **The Last Namsara pdf** She grew out of a shell she was trapped in and was able to set free from the lies the betrayals and the cruelty that was rising in her. **The Last Namsara book pdf** I didn't find myself bored while reading this book not once because of how fast the book felt, **The Last Namsara booking** I think the author did a fantastic job at keeping the pace at just the right speed, **The Last Namsara pdf reader** One of the other things I loved about this was the ancient old stories. **The Last Namsara pdf** The author wrote the most known and common stories told that it was enough information to help me catch up on to what was happening. **Book The Last namsara cast** The author gave just enough information and didn't just spill out so much that it became info-dump that would ruin the story, **Book The Last namsara cast** What I love about this is how the information went back and forth and it really helped, **PDF The Last namsara** I loved how with the ancient stories the author was able to give information about something that had just happened in the chapter and help us catch up and not be lost: **The Last Namsara ebook download** There were times where I would read a chapter and a character would be mentioned but I was confused because I did not know it: **Book The Last namsara cast** Luckily after the author provided that characters story and managed to capture my attention even more, **Book The Last namsara cast** Really sorry to say it but I have some friends who have loved and appreciated YA fantasy stories that. **The Last Namsara fantasy football** Many are books I've tried to pick up but have given up because of how boring it was, **Kindle The Last namsara series** It's a book many readers are looking for in other YA fantasy books—dragons betrayals violence war politics slow-burn romance its got everything we want in YA fantasy, **Kindle The Last namsara book** It's about Dax Asha's brother and Roa an enemy and I'm really looking forward to how that goes. **Kindle The Last namsara series** Although Asha is mentioned in the description I don't think it will focus on her the most but I could be wrong, **The Last Namsara book review** She hunted down monsters because he asked her to never realizing the most wicked monster of all stood right behind her, **Book The Last namsara cast** In the beginning there was the Namsara: the child of the sky and spirit who carried love and laughter wherever he went. **The Last Namsara fantasy cast** Then the more evil things I found out the more I wanted to kill them myself. **The Last Namsara ebooks** Safire is her own force to be reckoned with and she is Asha's dearest friend as well, **The Last Namsara book summary** I mean it's so slow I thought I was going to ooze out into the floor with the tension: **PDF The Last namsara** Asha's father tells her if she goes and kills the first dragon Kozu that he will call off her wedding to Jarek. **The Last Namsara pdf filler** Asha is all for this because Kozu is the dragon that burned her when she was young: **PDF The Last namsara homecare** BUT Things are not what they seem and Asha finds out things that are horrific: **The Last Namsara book 2** Things about her father things that happened to her as a child. **The Last Namsara bookworm** Why she will become the best of what she truly is with the help of her family and friends and her love, **Book The Last namsara cast** Safire dragged Asha out of the pool of dragon blood and brought her to the lake edge trying to wash it from her knees and legs. **The Last Namsara fantasy** I'm going to gut him with my bare hands and use his entrails for dragon bait. **The Last Namsara pdf reader** A story of a ruthless dragon king who feared his story-seeking daughter: **The Last Namsara ebook free download** Behold crafty ancient gods and their defeated priestesses warrior tyrants versus lost-and-found girls: **The Last Namsara pdf editor** It was an ancient story older than the mountains at her back and Asha had to dredge it up from where it lay deep and dormant inside her. **The Last Namsara book pdf** It went like this: where the old stories were spoken aloud there were dragons; and where there were dragons there was destruction and betrayal and burning, **The Last Namsara fantasy football** (c)Q:She'd been burned by the fiercest of all dragons and lived, **The Last Namsara fantasy football** (c)Q:Once there was a girl who was drawn to wicked things: **The Last Namsara fantasy** It didn't matter that they'd killed many more before her, **The Last Namsara pdf converter** She let them eat away at her heart and turn her wicked: **Kindle The Last namsara series** Under the cloak of night she crept over rooftops and snaked through abandoned streets, **The Last Namsara fantasy cast** She sneaked out of the city and into the Rift where she told the dragons story after story aloud. **The Last**

Iskari. And you're a hunter. You can't expect him to come when you call. You have to earn his trust. (c)Q:She was unmoved. She also spent a year living in a punk house. Things like forbidden ancient stories. I recommend this book to all fantasy/Dragon lovers. While Namsara was a boy Iskari was a girl. She hunts dragons for a living. Asha had heard these stories when she was little. Asha was little. Because she thought she was alone and unloved. Kristen Ciccarelli has definitely won me over with this one. First the characters. Asha is no Aelin and Aelin is no Asha.Although I'm comparing the two Asha is no Aelin. She's better. Asha is what a courageous person really is. She fought for the way she was made to. I won't say why but I cried. And I mean listen to me Toothless is adorable. Shadow roared and the temple shook with the sound. The author managed to occupy me right from the beginning. The thing is she didn't do anything she was blamed for. Asha was young when she called Kozu the First Dragon. You can tell from the beginning. Be afraid Father. I'll make you regret everything you've ever done to me. Asha was seen as emotionless but she wasn't that. She was not confident but she was proud. Life taker they said.Death bringer.Iskari. Some have said this book is slow-paced at times. I'd have to disagree. I grew impatient after sorry May.YA fantasy lovers are sleeping on this.are trash. Overall I'm really looking forward to the sequel in this. I'm really only looking forward to it because of Dax. In the beginning he was so pure soft kind and weak. He wants peace not brutality and wants allies not enemies. She believed the lies he told. I don't do killing dragons books. Unless it's just some random thing in the book. But.THIS. IS. NOT. THAT. BOOK. But where there is light Jarek. He's a jerk that is the commandant to the king. The King is Asha's father. He's a jerk. Jarek is a jerk. I wanted them dead from the moment I met them. Safire is Asha's cousin. She's fierce and she trains with Asha. Torwin is a slave to Jarek. I love Torwin so much. Torwin is treated badly by the jerk Jarek!. And Asha and Torwin slowly become interested in each other. All of you insta-love haters will love that. Why her mother died. Why her brother Dax is slowly dying. There is a part. Well there are many parts that I wanted Jarek dead. But this was the last straw and he became nothing. I'm going to kill him. Love them enough to breathe fire. A story of a girl who loved stories. Loved them enough to destroy a grand city. Authentic and flowing. Gorgeous cover!Q:Asha lured the dragon with a story.She hated to do it. Telling such stories was forbidden dangerous even deadly."I thought they didn't breathe fire anymore."Asha froze.They don't breathe fire without stories she thought.The old stories drew dragons the way jewels drew men. No dragon could resist one told aloud.But the stories didn't just lure dragons. They made them stronger.Hence the fire. (c)Q:The girl who'd tricked it here with a story. It was stranded. And a stranded dragon fought fierce. (c)Q:But neither the heat nor the cold killed her.An unbearable loneliness did. Who else could say that?Asha wore her scar like a crown.Things like forbidden ancient stories.It didn't matter that the old stories killed her mother. The girl let the old stories in.Her wickedness drew dragons.The girl didn't care. (c)Q:They were the wingbeats in the night. They were the fire that rained from the sky. They were the last sight you saw. (c)Q:. when darkness falls the Old One lights a flame. It wasn't that she'd been here before. (c)Q:Elorma smiled at her. It made her uneasy. Like the smile of a slave plotting rebellion.Or love her. (c)Q:Which was when he turned the knife on himself. (c)Q:He was sharp and sure. Like her favorite axe. (c)Q:In truth though there was one more way out.A secret way. Each and every one of them forbidden. And she did feel those things. But she felt something else too.Unfettered.Wild.Free.Unafraid. (c)Q:When darkness falls the Old One lights a flame. (c)Q:Naming a thing endears you to it.A shocking thought occurred to her. Like a dark shadow. An ancient presence. Fixed and fierce and hers. (c)Q:"You're beautiful and precious and good" he whispered. "And I love you.Maybe everyone did have a song in them—or a story. One all their own. If that were so Asha had found hers.And here she stood at the beginning of it. (c) Paperback I am a

simple girl. I see dragons I like. And it hooked me. But let's not dwell on them. Now the writing. But she was too misguided.4. The child of blood and moonlight. The destroyer. The death bringer. At it's heart her kingdom's lore is one of duality.To her people Asha is the current embodiment of the Iskari.Asha is lonely and feels helpless to control her fate. All she has to do is kill the First Dragon Koze. A dragon to whom she is inextricably linked.Going into this novel I had no idea what to expect. The world felt complete. I could picture it all.I am hoping to start the next novel The Caged Queen soon
