Puck Me Secretly (Vancouver Wolves Hockey #1) ***2 STARS***This was a DNF for me. **Puck me secretly odette stone pdf** Perhaps I look too intently when I am reading but there must be cohesiveness and I also ask myself "would this happen in the real world"? Although this is fiction some things must make sense. **Pucking around pdf full free** Max Logan is known as the best hockey player in the league and Rory's dad is the owner of a hockey league in Vancouver and she knows hockey but she doesn't recognize him when they sit together on the plane. **Puck me secretly read online free** With Max being a well known hockey player and Rory's dad being at the minimum a multimillionaire from being a sports team owner there would be quite the fanfare around them being in a plane crash but there was not. **Puck Me Secretly contemporary gif** With Rory being the daughter of such influential family and such a traumatic and rare occurrence of a plane crash you would expect her family to come see her or perhaps send someone but she leaves them a phone message that something happened to her flight and that is why she is delayed and they do not call her to check on her (I'm sure the news of a plane crash en route to Vancouver would have them petrified). **Contemporary Puck Me secretly synonym** So now she has been in a plane crash and the very next day she gets on another plane by herself without any difficulties and when her parents ask her about flying she says I'm fine and we learn that her phobia has magically gone away due to surviving the crash. **Puck me secretly read online** 25 stars! Rory and Max went from stranger to plane crash survivors to one night stand to boss employee and I found that refreshing even though everything about the plane crash and how the characters handled it was unrealistic but I'm bored reading about the same first meeting so that was something different that I could look over. **Puck Me Secretly epub download** there is OW drama where the woman makes a complete 180 turn by the end of the book the actual & bigger villain doing the stupidest things for no reason or reasons that don't make any sense a hate twitter account against Rory who tweets like a 12 yrs old girl who was actually a married old crusty white dude (the villain guy) a hostage keeping where Rory gets rescued by men in SWAT uniforms within a short time. **What does puck say about himself** 5 stars (rtc maybe but probably not) #4 High Risk Rookie - 3 stars (rtc maybe but probably not) [\[site_link\]](#) **Puck Me Secretly** (Vancouver Wolves Hockey #1) lmaoooo y'all ok so this book was not good the swat team shows up Max is the newest player on Rory's father's hockey team and she's the general manager in training for that team. **EBook Puck Me secretly yours** I do think some villains became a bit over the top in this book and the story focused on people being malicious and trying to ruin people's lives but I that didn't really bother me because I was just so obsessed with the romance. **The puck secret pdf** I'm so happy I finally picked this up because it's definitely a

After the near-death experience Max gives Rory a night she'd never forget and disappears soon after leaving her feeling hurt. **Puck me secretly read online** Don't be fooled by the title and cover! The title Puck Me Secretly doesn't encapsulate the sweet romance and the (overgenerous amount of) drama this book had at all! If you delve into this book thinking it's going to be super smutty and hella angsty you're going to be disappointed. **Puck Me Secretly kindle direct** She could be a bit of a pushover at times but her determination to just grit her teeth and win over the respect of the men in such a cutthroat work environment made me respect her. **Kindle Puck Me secretly free** I had my reservations about him at first because of his violent tendencies but when his reasons were revealed my heart immensely softened towards him and I instantly fell in love with him thereafter. **EBook Puck Me secretly cultivate** And what's worse is that we never got to meet any of the other hockey players on Max's team! Which is very odd seeing as this is a series so it was almost as if no one substantial existed aside from the main characters. **Puck Me Secretly ebook free download** Too many subplots: I appreciate the author trying to bring in issues of sexism sexual harassment and nepotism in the workplace but those subjects were only briefly touched upon so it seemed rather pointless. **Puck Me Secretly ebooks** 75/5 **Puck Me Secretly** (Vancouver Wolves Hockey #1) Okay let me start this review saying that I agree with all my GR friend's reviews about this book you need to set aside your disbelief and just roll with it. **Puck Me Secretly epubs** BUT!
