When her sister ran away from the wedding Autumn was forced to marry Charles. Autumn had never thought that she would fall in love with him: I like Autumn very much her responsibility for her work her love and care for her grandmama her feelings for Charles and his family and the strong character she has, love to read it continuously eager to know what comes next and also I like the man's feelings for Autumn Run away from Wedding (The Substitute Bride #1).

. His name had been linked to innumerable ladies. He had different girlfriends for every day of a year. I feel very anxious about the next page while reading. I would like to read the book full chapter. Good presentation and characterisation
