But hopefully he doesn't show up again. I guess that's where we are going next. 226 Book One was really good. It showed potential for greatness. This book fulfilled that greatness. I am just blown away by this book.5 stars 226 This just made me so happy. I love seeing Brandon and Mack's relationship developing. I'm loving this series just as I do Jon and Donovan's. I can't wait to read more. So yay. As expected it was hilarious. I really hope we get a third book. I was sold after hints of it taking part in Scotland. 226 **4. They are so good together. I was kind of bummed and let down with their bonding. It was over before I even realized it happened. Sort of anti-climatic. But this was still good. It's shaping up to be a perfectly ghastly homecoming. It was not the characters . these are great. But the story line was just not very interesting. 226 3.5 Stars. 226 This was as cute as a bug in a rug. Brandon also basically starts renovating Mack's mothers house
