

Beyond the Tracks By Michael Reit **PDF Beyond the tracks** Jacob's father was a pharmacist and was well respected but when their pharmacy shop was looted and destroyed in "the night of the broken glass" both Jacob and his father knew that they had to leave Berlin if they were to survive. **Beyond the Tracks history channel** Jacob's father had helped an official at the railway station when his wife was dying from cancer by obtaining medicine for her to ease her pain and the man had never forgotten Jacob's father kindness. **EBook Beyond the tracksuit** Jacob and his family and Jacob's best friend and his father found refuge in the Dutch refugee camp.

## **Beyond the Tracks history channel**

Jews are being shot on the street for the slightest or no offence. **Beyond the lines book** The family settles in at the Dutch refugee camp of Westerbork but eventually the camp is turned into a transit camp for the weekly transports of cargo to Eastern concentration camps. **Beyond the black album** I've read the Diary of Anne Franke and watched Shindler's List and I was worried about reading fictionalized accounts of what happened because I was afraid of inaccuracies and glorification.

## **Beyond the black band book**

Some of the tales in the book were uplifting and inspiring too. **Beyond the tracks kindle book** Would Jacob be able to achieve this feat? If he did escape where would he go and could he somehow help his fellow Jews? Michael Reit was able to write Beyond the Tracks from a different perspective than most books written about this horrific time in the history of mankind. **Beyond the tracks michael reit** Stores of German Jews are being looted and burned Jews are being burned out of their homes Jacob and his dad are loaded on the very same train cars that Jacob had loaded others on while he was still employed in the camp. **Beyond the tracks by michael reit** What happens here with Jacob may be fiction but from the author notes at the end of the book we learn that many of the things that happen to Jacob happened in real life. **Beyond the black cd** I was able to see events differently than I've seen them in other stories leading me to want to know more about Westerbork the Dutch Resistance and the real life people who make appearances in this story. **Beyond the black cd** Beyond the Tracks EMOTIONAL HOLOCAUST FICTION ABOUT FRIENDSHIP AND FAMILY I read a lot of historical fiction about the Holocaust and WWII so I feel like I have pretty much seen it all. **EBook Beyond the trackside**  WHAT I LIKED  Atypical: Like I said I read a lot of historical fiction about the Holocaust and by far most of them have some sort of romantic angle or romance at the centre of the story. **PDF Beyond the tracks** ARC provided by the publisher through NetGalley in exchange for an honest review Follow me for more book loving content! Blog  Facebook  Instagram  Twitter Blog Post: 10 Tips to Help You Wrestle that Pesky TBR Pile Beyond the Tracks I've read countless WWII Historical Fiction books based on true stories and although difficult to read at times I feel it's an honor to read the personal stories hear their voices through the pages (or over audio) and share my reviews with all of you. **Beyond the Tracks Historical fictional** Although there may be times where you are brought to tears while reading or listening to the book because the story is heartbreaking there are other times where the story is both beautiful and inspiring. **Beyond theme beyond ost** Our main character Jacob and his family along with his best friend Ethan and his family end up in a Dutch transit camp Westerbork which is a stop for prisoners headed to the eastern internment (death) camps. **Beyond the black band book** But how far is he willing to go to save himself his parents and best friend? Beyond the Tracks Hard to believe this was a debut novel! I read a ton of WW2 historical fiction yet this story was able to bring new perspectives and historical details concerning the Holocaust that I have yet to read about in other books. **Beyond the Tracks suspense account** The story was crafted in a unique way in which it focused intently on a certain time/experience of the MC Jacob's life during the Holocaust then skipped a chunk of time to the next experience in Jacob's life. **Beyond the tracks kindle book** This was an account of a German-Jewish man and his friend trying to survive the Holocaust during WWII

from Berlin to the Netherlands then onto other camps in Central Europe like Auschwitz in Poland. **Beyond theme beyond ost** The descriptions of the events that took place and of the people's character are fascinating yet often disturbing and heartbreaking and despite the suffering described if you're wondering.

## **Suspense Beyond the tracksmith**

Beyond the Tracks by Michael Reit was one of the best books about World War II and the Holocaust that I have read in a long time, **Suspense Beyond the trackside** I was even more impressed when I discovered that this was Michael Reit's debut novel, **Beyond the tracks kindle book** It was based on many true and harrowing events and some of the characters were real people that actually existed. **Beyond the black band book** Beyond the Tracks was well researched and included many details that had not been written about in the past: **Beyond the black cd** Some of the characters were more endearing than others but they stayed with me long after I finished listening to this audiobook. **Beyond the tracks kindle book** His performance led me to feel as if I was actually there with the characters in the book, **Beyond the Tracks Historical fictional** I was quite impressed by how Michael Reit was able to weave truth with fiction throughout the book. **History documentary backing track** Jacob Kagan lived in Berlin with his mother and father when the Nazis came to power, **Beyond the Tracks history search** The handwriting was on the wall as for the fate of German Jews that lived in Berlin at this time: **Beyond the Tracks epub.pub** Rumors circulated that they were taken to work camps but no one knew for sure. **PDF Beyond the tracksuit** The Kagan family decided to make their way to The Netherlands but getting there was challenging: **Beyond the tracks series** He got them a ticket for the train headed for The Netherlands: **Beyond the Tracks suspense account** Jacob's best friend was also able to secure passage on the same train: **EPub Beyond the tracks** Then the Kagan pharmacy is taken away from them and the family knows they need to flee to a refugee camp in the Netherlands. **Beyond the tracks download** This story is broken into distinct parts of Jacob's life in the years after his family flees Germany: **Beyond the tracks by michael reit** For several years Jacob and his family are relatively safe because their jobs at Westerbork but word from elsewhere makes it obvious that they are living on borrowed time: **Beyond the Tracks epub.pub** Eventually.

## **Beyond the black cd**

It is impossible to stop reading/listening to, **Beyond the tracks kindle book** The narrator Mike Paul did a fabulous job bringing the story to life and his voice was distinct enough to differentiate between characters. **Beyond the Tracks history search** I highly recommend this book to historical fiction lovers and those that want to expand their reading genre: **Beyond the Tracks history's** Beyond the Tracks Thank you Netgalley and Michael Reit for this advance listener copy in exchange for my honest review: **Beyond the tracks kindle book** This was my first experience with WWII historical fiction and I don't know why I waited so long to give this genre a try: **Beyond the Tracks suspenseful** WWII and the unspeakable acts of the Holocaust have always fascinated me. **Beyond the track apparel** It is the small acts of compassion and of doing what one can to resist and survive in the overwhelming face of evil, **Beyond the lines book** Beyond the Tracks A WWII novel that follows a young man that must leave Berlin to start over since everything his family owns has been taken from them, **Beyond the Tracks history channel** As I listened to this I had to keep reminding myself that they didn't know their fate. **Beyond the tracks by michael reit** This story was a slow fade because it all happened gradually, **Beyond the tracks kindle book** This wasn't one of the more emotional stories.

# Beyond the tracks kindle book

Westerbork: **PDF Beyond the trackside** Life at Westerbork was predictable safe and fair until the Nazis took over and turned Westerbork into a transit camp from the refugee camp it had been. **Beyond the Tracks history's** The Nazis immediately assigned a great number of male "prisoners" to build new barracks for all the new arrivals. **Beyond the tracks kindle** Their hours of work were expanded greatly and food became less abundant and much less nourishing: **Beyond the Tracks history** The workers were threatened with deportation or worse if the barracks were not completed on time, **PDF Beyond the tracksmith** The Nazis began to make daily selections of prisoners that would be transported to work camps in the East. **Beyond the tracks festival** Jacob's and his best friend's job was to tell these people their fates, **History documentary backing track** As they looked at their lists they hoped they would not recognize any of the names: **PDF Beyond the trackside** The vivid descriptions and reactions of the people that were chosen were depicted in ways I had not previously encountered in other books. **EBook Beyond the tracksuit** During the initial selections there were protests and some of those chosen for the trains flatly refused to board. **PDF Beyond the tracksuit** Ultimately the departures became the saddest and hardest thing Jacob had to witness it became evident that the Nazis were determined to liquidate Westerbork entirely. **PDF Beyond the tracksuit** Jacob his father and Jacob's best friend were eventually put on one of those lists and found themselves headed for Auschwitz Jacob's father sadly did not survive, **Suspense Beyond the tracksmith** As the cattle car made its way into Poland Jacob grieved for his father but was determined to find a way to escape from the train. **Beyond the Tracks suspense date** I felt like I was there with Jacob right beside him rather than reading about what he was doing: **Beyond the Tracks Historical fictionmanai** The courage and strength of the Polish resistance was told and described in ways that I had never read about. **Suspense Beyond the tracksmart** From Michael Reit's impeccable research I learned about two actual escapes from Auschwitz one in September of 1944 and one in October of 1944. **Beyond the black cd** Some of the characters in Beyond the Tracks actually existed and played roles within the pages of this incredible book: **Beyond the black albums** The themes in this book included loyalty friendship family bravery survival strength and determination, **Beyond the break book** As I previously mentioned this was one of the best books I have read about World War II and the Holocaust: **PDF Beyond the trackstar** I look forward to reading more books by Michael Reit in the future, **Kindle unlimited track books read** Thank you to Independent Book Publishers Association for allowing me to listen to this audiobook through Netgalley in exchange for an honest review, **Beyond the lines book** Beyond the Tracks Beyond the Tracks by Michael Reit (Author) Mike Paul (Narrator)It's 1938 Berlin and Jacob Kagan his mother and father fear they don't have much time: **PDF Beyond the trackside** Despite their pharmacy still being open German Jews are being rounded up daily and sent away on trains. **Beyond the Tracks suspense** We are in the car with Jacob his dad and so many others as they live (and many die) on the long journey to their next destination: **Historical Fiction Beyond the tracksmith** But Jacob's story takes a turn here and he doesn't make it to Auschwitz at this time, **Beyond that the sea on kindle** Later Jacob does make it to Auschwitz in a daring manner which is one again based on real life events, **Beyond the tracks kindle book** There are large gaps between the various stages of Jacob's years as a prisoner/escapee, **Beyond the Tracks suspenseful** What we get are concentrated views of specific times during Jacob's horrific journey through the Nazi's massive extermination plan: **PDF Beyond the trackside** The narration of this book is almost theatrical and it took me a bit to get used to it but once I did it fit the story well. **Beyond the Tracks epub reader** I plan to learn more about the real people mentioned in this story and the escapes that are based on real life events, **Beyond the black album** We are presented with the Holocaust from a different angle and as always it's a horrific picture: **PDF Beyond the trackstar** Published June 1 2021 Thank you to Michael Reit/Independent Book Publishers Association (IBPA) Members' Audiobooks and NetGalley for this ARC. **Beyond the Tracks history today** But here Reit

gave me something new - he showed me new places new fates and new themes, **Beyond the lines book pdf** For a debut novel this was very strong and I am looking forward to reading more from Reit in the future. **Beyond the black album** Sure there was a bit of romance here but it was only a drop in the bucket, **Beyond the tracks kindle book** The central themes here are friendship and family which really spoke to me: **Book beyond the tracks** Another atypical thing about this story was the places it took place, **Suspense Beyond the tracksmart** Most of the book takes place in the transit camp Westerbork a place I had actually never heard of before, **Beyond the Tracks suspenseful** It was really great to get to explore a new unknown part of the tragedy of the Holocaust. **Beyond the tracks kindle** Real life: I was really excited to read the Author's note and find out that several of the people in this book were actually real historical people. **EBook Beyond the trackstar** That is always a really great touch and it made me want to learn more about them, **Historical Fiction Beyond the tracks** I cry a lot at many different things but a book that can make me cry is always a hit. **Beyond the tracks kindle** It means that the characters the plot and the circumstances are getting to me and have affected me in some way. **EPub Beyond the tracksuit** A very sad time in our history one that I'm sure we would all like to forget but I think these stories should be told and never forgotten: **EPub Beyond the tracks** Beyond The Tracks was an amazing audiobook and I am astounded that this is Michael Reit's debut novel: **EBook Beyond the tracksmart** The book is well researched and written in a way where fact and fiction are brought together to tell a very moving story: **Beyond the tracks series** The character building has a lot of depth and you feel like you really know young Jacob and Ethen the two main characters and their families, **History behind track and field** It was also a story with a happy ending which under those circumstances didn't happen often (see Anne Franke). **Historical Fiction Beyond the tracksuit** The story begins In the Netherlands as Germany begins its occupation of the Dutch nation, **Beyond the sea backing track** Businesses are being shut down and people are disappearing in nightly raids, **Beyond the break book** Jacob and his family are given jobs in Westerbork and life isn't too terrible in the beginning: **Beyond the tracks kindle** They know nothing of the horrors of the eastern camps and believe all of the camps are like Westerbork: **Historical Fiction Beyond the trackstar** But as the German occupation spreads things become worse at Westerbork and Jacob begins to realize things are worse than they appear. **Historical Fiction Beyond the tracks** Eventually more and more people begin to get sent east and Jacob Ethan and Jacob's father end up on a train bound for Auschwitz, **PDF Beyond the tracksmart** Realizing the danger he is in Jacob makes his escape from the train prior to arriving at the death camp: **Suspense Beyond the trackstar** This is a story about resilience friendship and family set against the horrific backdrop of Nazi Germany. **Historical Fiction Beyond the tracksuit** While there are horrors beyond belief throughout the book this was essentially a heartwarming story: **Back from beyond band** Jacob refused to give up throughout despite the odds being stacked against him: **EPub Beyond the tracksmith** This is a fantastic self-published debut novel and I look forward to future works by Michael Reit: **Beyond the Tracks suspenseful** I really liked him as the one who told the story and voiced the male parts however his female voices were terrible, **Beyond the black albums** Not bad enough to DNF but the next book he narrates should really have multiple narrators, **Historical Fiction Beyond the tracks** When people start disappearing in nightly raids a young Jacob Kagan flees the country and ends up in the Dutch refugee camp of Westerbork: **Book the trail beyond** After the Netherlands fall to the German war machine Westerbork is transformed into a transit camp with weekly trains bound for the Eastern concentration camps: **Beyond that the sea on kindle** Faced with the terrors of the SS camp regime Jacob now only has one goal — avoid a spot on the dreaded transport list at all costs: **Back of the beyond books** The author noted at the end that although Jacob was a fictional character these historical events were true accounts of what happened to other people during the Holocaust, **Beyond the Tracks Historical fiction books** I found the narrator too theatrical and upbeat for the tone of the story which is why I rated it 4 instead of 5 stars: **Beyond the black discography** Towards the end of the audiobook I was pretty tired of the narrator's voice and wished I'd requested the ebook instead: **EBook Beyond the trackstar** Thank you to the publisher and

Netgalley for an advanced audio copy in exchange for an honest review: **Beyond the Tracks epub.pub** A very great read for anyone who likes these types of books Beyond the Tracks Although this was a biographical-fiction based on true events it felt very authentic and intimate, **Suspense Beyond the tracksmart** Sometimes I finish a WWII book and feel emotionally exhausted afterwards, **Beyond the Tracks history search** This is based on true accounts so of course it's heartbreaking, **Beyond the Tracks history today** The only problem I had was with the second half of the book: **Beyond the black discography** I felt like it didn't transition as smoothly as it could have: **Beyond the tracks kindle book** Beyond the Tracks Beyond the Tracks is a well-written and researched WWII story. **Beyond the Tracks suspense account** It is based on true events and people although the author explains that many characters and events were fictionalized for the story: **Book beyond the tracks** Make sure your read or listen to his notes at the end of the story where he discusses his research findings and how this book came about. **PDF Beyond the tracks** It's 1938 Berlin and Jacob Kagan his mother and father fear they don't have much time. **EBook Beyond the trackstar** When the Kagan Pharmacy is taken from them they know it is time to leave, **Back of the beyond books** They decide to try and get to the Netherlands where they know people, **EPub Beyond the tracksuit** Being lucky to get a train ticket they head West only to end up in a refugee camp called Westerbork: **Beyond the Tracks suspense thriller** Living there for several years they are surviving working and doing well until Germany invades and takes control of the camp: **Historical Fiction Beyond the trackstar** It now becomes a transit camp where Europeans mostly Jewish are brought to register before heading east to Auschwitz. **Beyond the tracks kindle book** The first is the escape and settling at Westerbork then the trip to Auschwitz and finally his work with the Polish Home Army. **Beyond the Tracks history channel** This is a linear story but there are gaps in Jacob's story (years covered in a few sentences): **Beyond the Tracks history** This did not cause any problem with the story or my ability to understand the things Jacob had done and how he had survived, **Book the trail beyond** Some of the characters were more endearing than others and some were outright cruel but all made me think about them and their circumstances, **Beyond the lines book** Reading about these unsung heroes always gives me faith in humanity while also reading about how cruel others can be. **Beyond the Tracks suspense account** Michael Reit is presently researching more about the Polish Home Army and I look forward to seeing his next book. **Beyond the tracks kindle book** I did not know that this resistance group existed nor that they actually facilitated escapes from Auschwitz, **Beyond the Tracks Historical fiction books** Michael Reit does a wonderful job of weaving real events and characters into this fictionalized story: **Beyond the tracks by michael reit** It was quite a theatrical performance and his tone and emotion were wonderful. **PDF Beyond the tracksuit** I could feel the fear and felt that I was with the characters: **EPub Beyond the trackstar** My one complaint was in order to give the characters individual voices some of his accents were a bit British sounding, **Beyond that the sea on kindle I** definitely recommend this book to those who enjoy Historical Fiction especially WWII. **Beyond the Tracks suspense radio** I received a copy of this audiobook from Netgalley upon request: **EPub Beyond the trackside** Beyond the Tracks Michael Reit writes page turning historical fiction. **Beyond the tracks kindle** His books focus on lesser known events and people in World War II Europe, **Beyond the sea backing track** Born in the Netherlands he now lives in beautiful Vienna Austria with his partner Esther and daughter Bibi. The characters in Beyond the Tracks were very credible. I became immersed in this book from the onset. It was brilliantly narrated by Mike Paul. Many people started to disappear and large roundups started. The people that disappeared were never seen again. I felt like he increased the pleasure of my experience. What a fantastic debut novel. That trying to take anything with them was futile. They were only refugees in the Netherlands. What could possibly go wrong. Jacob and his friend were picked for this work detail. Over time Westerbork became more and more crowded. I highly recommend this book. All opinions expressed in this review are completely my own. Emotions: I cried while reading this book. That is the beauty of reading if you ask me. Beyond The Tracks takes place during the Holocaust. One thing is for sure but this novel surprised me. 4.5 stars!      Now for the audio. I had mixed feelings about this

narrator. Beyond the Tracks Berlin 1938. Germany is a terrifying place. But he can only avoid the Nazis for so long. The plot was executed well and the writing drew me in. Sadly I can't say the same for the audio performance. Beyond the Tracks Great This was a great book. A work of fiction based on true events. Everything about this war is heartbreaking. The narrator was good. Thanks IBPA via Netgalley. I became immersed in this book from the first page. It is realistic sad horrific and hopeful. The story is divided into three sections. The characters in Beyond the Tracks were very credible. The audiobook was narrated by Mike Paul. The rating and opinions shared are my own.
