. I love how she has developed Tori's character. NormaJean disappointed me. I'll decide after I finish the last book in this series. I'm so anxious to see what will happen Book 3. Treat yourself. Love Belvin really poured into this book. I loved how Ashton and Tori evolved but oh the haters.wow. Now I'm anxiously anticipating Book 3.I'm going to watch Audible for the pre-ordering opportunity. Emmanuel & Wesleigh Were Absolutely Amazing As Usual. How dare Miss Belvin drop such a bombshell at the end. Book two took me through it. I now have a love / hate situation with Ashton. Because I was NOT finna be played. And I was right. Cause I'm HEATED right now. Reading this book was STRESS. I'm so ANGRY right now. I am just.recklessly mad right now. With her own success notoriety and agency.NOW. Tori and Ashton had me caught up in their story. The secrets the drama and the sex scenes. all top tier. Let me get to book 3. And Ashton? Well he's confused and angry.Love has been given the moniker adult contemporary series queen. Her one standalone "Love's Inconvenient Truth" is available.
