A Christmas in the Alps by Melody Carlson is a sweet Christmas novella that takes the reader to a gorgeous town in the snowy French Alps. **A Christmas in the Alps pdf free download** Simone's great-grandmother had rescued an American navigator who had bailed out of a plane and landed near their home in France and after he recovered from his injuries they fell in love and he brought her back to America to make a life together. **A Christmas in the Alps Literature fiction** I wanted a story set in the Alps and although I learned a little about life in this small village in France Simone Winthrop discovers a tantalizing letter from her French great-grandmother which seems to suggest that she is heir to a family treasure. **A Christmas in the Alps pdf filler** There's not a whole lot of festive feel and the setting was a bit of a waste I mean look at that cover! After a few minutes of listening to A Christmas in the Alps I realized I started this one last year but didn't log it on GR because I quit shortly into the book. **Christmas in april home improvement** Unfortunately they have to part ways but is there a chance they'll meet up again? Will Simone discover this family treasure or just more family secrets while in France? This story grabbed me from the beginning. **A Christmas in the Alps Literature fiction** There's a lot to like here but my issue was forcing myself to suspend disbelief because there were just too many coincidences with people running into each other and other things just working out. **PDF A Christmas in the alps alpine 5** - cute story about a girl who finds her great grandmother's letter about her long list treasure who then travels to France on the journey meets a cute guy on the plane and the rest is history. **Book A Christmas in the alps by john** Had a good time with this didn't love it but overall fun and interesting with everything tied to the treasure plot! Melody Carlson A solid one! There's more than romance in this story. **Christmas in aspen events** I'd recommend it! Melody Carlson

A favorable review was not requested. All opinions expressed here in this review are my own. This year I was not disappointed one bit. I loved every page I read. I read the newest one every year without fail. I loved this year's one. Thank you. All opinions expressed are my own. It deserves more than five stars. I had to know if the clock factory would make it. I HIGHLY recommend this 5 star two times Christmas read. . and so much more. A Christmas in the Alps Cute story. The end felt a little rushed but I still enjoyed it. A good way to start the holiday reads. Melody Carlson Family treasure hunt in France. It comes down to a personal preference for the narration. I might have enjoyed it more if I read it. 2. It notifies her of a secret family treasure. The ending was also extremely abrupt. 3.5*** Melody Carlson 3..
