

Hold on please, Emily: A Powerful Novel About Love, Music, and Hope By Doris Siu Hold on please Emily: A Powerful Novel About Love Music and Hope Doris Siu is a Canadian bestselling author and editor based in Toronto with a passion for harnessing the beauty of words with music. I believe she's even donating a portion of the proceeds to a brain tumour foundation in Canada! Way to go! Siu tackles a tough subject head on (no pun intended) and delivers a bittersweet story of love and loss. Max and Emily are both passionate about music and maybe each other--read the story to find out! Hold on please Emily: A Powerful Novel About Love Music and Hope Everyone should have an Aunt Brenna in their life and a true friend like Max Miller to stand by them when life seems unfair and throws you a curve as Emily experienced in this powerful story with her cancer diagnosis. Hold on please Emily: A Powerful Novel About Love Music and Hope Amazing soul-stirring heartwarming book!! This beautifully written novel was hard for me to put down!! Its strengths were so empowering and dealt with real life issues of tragedy and yet hope through love made it truly impactful!! Well done. I would highly recommend this touching and emotionally powerful novel to anyone!! Hold on please Emily: A Powerful Novel About Love Music and Hope Heart wrenching yet inspiring! The word pictures that the author creates for us in this tragic story are amazing.

Hold on please Emily: A Powerful Novel About Love Music and Hope Well written and engaging! Doris Siu is an excellent writer, The storyline is engaging and pulls the reader into the characters' internal conflicts. It is such a wonderful fundraising tool for a devastating cancer: Growing up Doris was shackled to the library quoting excerpts from her favourite books in her notebook and creating alternate endings for novels she had read: She is the author of Hold on please Emily which features her song lyrics and wordsmith abilities, Her most recent release is Wise Up Stand Up a quotebook that comes with an accompanying 12 track instrumental album called Sonder: Doris Siu is a Canadian bestselling author and editor based in Toronto with a passion for harnessing the beauty of words with music: Growing up Doris was shackled to the library quoting excerpts from her favourite books in her notebook and creating alternate endings for novels she had read, She is the author of 'Hold on please Emily' which features her song lyrics and wordsmith abilities. Her most recent release is 'Wise Up Stand Up' a quotebook that comes with an accompanying 12 track instrumental album called 'Sonder. Siu is drawing awareness to cancer for teens and helping them deal with sickness grief and loss, This sweet story of Emily and Max is told with humor and vulnerability as music is interwoven throughout the fabric of the words on the pages: Music is absolutely great medicine! It heals the soul mends a broken heart and transcends time, It's a beautiful story of love family friendship and the power of music to see us through. Hold on please Emily: A Powerful Novel About Love Music and Hope It truly is a powerful read. I loved how it shows love music and most of all hope, I like that Doris Siu is using this as a way to create cancer awareness for teens and young adult, A picture of hope and friendship that reaches beyond this life! A memorable lesson on the power of promise. Hold on please Emily: A Powerful Novel About Love Music and Hope
