Myrtle the Tiny Turtle A good age appropriate book for toddlers thank you Thank you for sharing a book that is age appropriate for toddlers I have been searching for stories for my son every night.

, **Myrtle the Tiny Turtle epub** I appreciated the rhyming next as it is a nice way to increase a child's vocabulary. **Myrtle the Tiny Turtle childrens play** The simple text and illustrations are also a good tool in helping young readers make predictions. I liked the simple illustrations in vibrant colors. Each illustration captured the essence of each line. The text is appropriate for this age group
