Panda Bear passionist

Heaving bosoms?? this is the magic of literature baby gotta soak it up!! real question why are ppl reading erotica and then getting mad that its masturbatory lmao Paperback Methinks I'll give this 5 stars just to boost the average bc I think one should appreciate a book like this on the basis of what it markets itself as and this truly delivered! Unless you've been a scheming lesbian who moonlights

as a topless waitress and humps stuffed animals with dildos strapped on I don't think you could really understand. **Panda Bear passione rayong** Paperback Take an insurance man who peeps for his kicks and a gal whose love-life is so empty she turns to a giant toy panda bear for love and you have the ingredients for a wild wooly tale. **Panda Bear passionless synonym** Add to the scheming a blackmailing topless cocktail waitress a wife looking for a way to get her hubby's money and a curvaceous secretary and you've got the zingiest story in years: PANDA BEAR PASSION Panda Bear Passion Apparently this is a very sought after book. **Panda Bear passione rayong** While there is a very minor subplot that wasn't terrible the rest of this 179 page novel is just an excuse to pen some of the worst masturbatory material I've read since I made the mistake of reading 40 pages of Fifty Shades of Gray. **Panda Bear Passion kindle paperwhite** I'm a straight male so of course I like women and descriptions of women and having sexual with women but good God this was almost enough to make me want to be a virgin. **Kindle Panda Bear passion** Every page is the same sentence of how the main character can see a woman's breasts through her shirt or how the main character's head begins to throb when the opportunity for sex is near. **Panda Bear Passion epub** I suppose if this was a one time occurrence it wouldn't be too terrible but this is the same kind of thing that happens at least once a chapter and sometimes as many as every other page. **Book Panda Bear passionate** I think there is supposed to be some kind of redemption story somewhere in the pages of Panda Bear Passion but it's hard to feel any kind of kindness towards its main characters. **Panda Bear passione rayong** I'm not stupid enough or brainwashed enough to try and cancel or out this book (hell it's not even in print anymore and ridiculously difficult to find anyways) but I can definitely say that it's far from great. **Book Panda Bear passion fruit** Paperback This is supposed to be most hard-to-find sought-after Orrie Hitt title next to Cabin Fever (Uni Books 1954) and the Vest Pocket doubles Panda Bear Passion is often called the Holy Grail of Orrie Hitt books — not for the story mind you but for the awesome cover. **Book Panda Bear passionate** This is a list of Orrie Hitt books I have been able to compile over the years what did I just read? Ok I am going to walk you through this book fam because there is no other way I can explain how weird this book is. **Fiction Panda Bear passion flower** First of all there is a main plot and a side plot and neither of them really kick in until the last thirty or so pages of the book (yeah I'm not exaggerating either. **Panda Bear passione rayong** First the main character (who only gets off if he is peeping at women through their windows) falls in love with the wife of his client and they start hatching an insurance/murder scam. **Panda Bear Passion fictionmanai last** Throw into the mix the office whore that we meet just a few times and a lady that has sex with a stuffed animal a couple of times and we have our cast of wily characters. **Book Panda Bear passionflix** Ok so here is how it all goes down (again in the last 20 or 30 pages of the book): While deciding whether to kill insurance/murder victim the main character gets wind of the blackmail scheme and wants to help his boss out. **Panda Bear Passion kindle** He breaks the camera with the dirty pictures insurance/murder victim and prostitute are like oh man that sucks! and go their separate ways boss says hey thanks! main character then finds out his married girlfriend is a lesbian with stuffed animal girl and then he goes and marries the office whore while swearing to transfer offices so no one knows he is married to a whore. **Book Panda Bear passion planner** Main character catches his girlfriend with another woman and he basically does this: He literally starts gagging says how they are dysfunctional beyond help and is instantly cured of his own peeping tom obsession and swears to only have normal sex forever more. **Panda bear panda bear what do you see animals** What made him unique was his belief he was writing realistically about the needs desires the brutality (both verbal physical) the hypocritical lives inside the suburban tracts houses the limited economic opportunities for women that lay beneath the glossy Super Cinecolor Father Knows Best surface of American life. **Book Panda Bear passionflix** Stryker in her Queer Pulp: Perverted Passions from the Golden Age of the Paperback says "Only one actual lesbian Kay Addams writing as Orrie Hitt is known to have churned out semipornographic sleaze novels for a predominantly male audience. **Panda Bear Passion kindle books** "The characters" Hitt's protagonist—a movie producer complimenting a screenwriter on her work—says in the novel Man Hungry Female "were very real red blooded people who tore at

the guts of life. **Panda Bear Passion booking** His children explain: "Dad's mom died at her sister's house on the club property during an ice storm so Dad walked to the house to get his mother carried her back to his car {site_link}.

: **Book Panda Bear passion** Paperback

Orrie Edwin Hitt was born in Colchester and died from cancer in a VA hospital in Montrose.

Book Panda Bear passion flower

Orrie Hitt just can't not write a story. **PDF Panda Bear passion planner** This is a heapin' helpin' of sleaze to be sure but there's a genuine story woven in there too: **Panda Bear passionate love** Not an especially original story to be sure but an actual somewhat nuanced story nonetheless. **Book Panda Bear passion fruit** And the panda bear - well that's just the busted cherry on top. **Book Panda Bear passionflix** Paperback as much as i wanted to like this i really didn't. **Book Panda Bear passion** Just look at it: a big boobed blond chick holding up a stuffed panda bear in obvious desire, **Panda Bear passionist reflection** And I guess what you see is what you get because in all honesty Panda Bear Passion isn't very good: **Kindle Panda Bear passionflix** Hitt's descriptions of intercourse become repetitive to the point of boring. **Book Panda Bear passion flower** Even worse the sex itself is super lame and way Hitt writes it feels like something a 6th grade boy would think it goes: **Book Panda Bear passion planner** He could hear the rapid beating of her heart her heavy breathing. **Book Panda Bear passionflix** He drove his finger deeper and she sighed shuddering holding onto him tight, **Panda Bear Passion ebooks online** Removing his hand from her he began on top of her as he did so: **Panda Bear passionfish reston** With a groan he lowered himself onto her his manhood searching to claim her charms. **Book Panda Bear passionflix** If Hitt was trying to get his readers to blush and feel all "hot and heavy" he completely lost that after his first attempt, **Panda Bear Passion ebook3000** Frank is a peeping Tom a borderline incel who's one desire is to rape any woman that looks vaguely familiar to a woman he once saw naked. **EBook Panda Bear passionflix** All of the women are written as conniving whores who use men to get what they want, **Panda Bear passionlosc** Even the sympathetic Edith is described as an "easy lay" and the office slut. **Panda Bear Passion fictional** I should also mention that this book was clearly produced at the bare bottom level of quality. **EBook Panda Bear passion synonym** In closing I get that Panda Bear Passion was written in a different time for an audience that didn't have the same Views on women and sex that we do in 2021, **Panda Bear Passion epub reader** I guess that In 1968 this novel did what it was supposed to do so I can't fault Orrie Hitt for probably achieving his goals. **PDF Panda Bear passionate** And in such an outwardly conservative decade I'm sure Panda Bear Passion made more than a few readers either blush or get wet. **PDF Panda Bear passionate** Spoilers obviously but don't worry you don't want to read this, **Book Panda Bear passionflix** Ok first of all the book title references a VERY minor thing in the book where a woman has sex with a stuffed animal: **Panda Bear passione restaurant** It has nothing to do with the plot (what little of it there is): **Book Panda Bear passion planner** It would be like instead of The Fellowship of the Ring Tolkien had named his book Four Hobbits at the Prancing Pony: **Panda Bear passionfish reston** Ok next tell me if you recognize this plot: An insurance salesman falls in love with the wife of one of

his clients. **Panda Bear passionate crossword** They have to find a way to get him to buy life insurance and then kill him to collect \$100000: **Panda Bear passionfish reston** If you said Double Indemnity then you win yourself a cigar, **Book Panda Bear passion flower** So basically this book is a cheap porn parody of Double Indemnity: **Panda Bear passione restaurant** Just imagine everyone in the original book/movie as having their only defining trait be a sexual fetish and/or disorder and you will be close to how this book feels. **Panda Bear passionless synonym** Just imagine Fred Macmurray peeping into women's windows while he whacks off for an image that will send you to therapy for a while, **Panda Bear Passion ebooks online** Alright next lets talk about the slim tatters of a plot that this book has. **Panda Bear passionlip** The other side plot is that the main character's boss (I guess this would be Edward G. **Panda Bear Passion book** Robinson's part) wants to turn a prostitute into his kept woman and she and insurance/murder victim husband are hoping to blackmail him with dirty pictures, **Panda bear panda bear what do you see cd set** I also want to add how hilariously insulting this book is to gay people. **Panda Bear passionbus le** Reading this book is like driving by a vicious car accident that you don't want to look at and yet you can't turn away from, **Panda Bear Passion ebook3000** Paperback i was more than a little shocked when the panda bear from the title & cover actually appears at all but as a sex partner to a hot babe with ample NY: **EPub Panda Bear passionflix** He married Charlotte Tucker in Pt Jervis NY (a small town upstate where he became a lifelong resident) on Valentine's Day 43, **Fiction Panda Bear passion synonym** He was under 5'5" taking a 27 inseam which his wife altered because no one sold pants so short: **Panda Bear Passion booklet** "I'm no adding machine" he answered on the back cover of his book Naked Flesh when asked how many he'd written: **Panda Bear Passion pdf converter** I usually start at 7 in the morning take 20 minutes for lunch continue until about 4 in the afternoon. **Book Panda Bear passionflix** "Hitt wrote a novel every 2 weeks in his prime typing over 85 wpm, **Panda Bear Passion fictionmanai** "His fastest Orrie Edwin Hitt was born in Colchester and died from cancer in a VA hospital in Montrose NY: **Book Panda Bear passion planner** He married Charlotte Tucker in Pt Jervis NY (a small town upstate where he became a lifelong resident) on Valentine's Day '43, **Panda Bear passionist reflection** He was under 5'5" taking a 27' inseam which his wife altered because no one sold pants so short. **Panda Bear Passion ebooks online** "I'm no adding machine" he answered on the back cover of his book Naked Flesh when asked how many he'd written, **Book Panda Bear passionate** I usually start at 7 in the morning take 20 minutes for lunch continue until about 4 in the afternoon: **Book Panda Bear passion planner** "Hitt wrote a novel every 2 weeks in his prime typing over 85 wpm. **Panda Bear passionbus le** "His fastest best works were produced when he was allowed to type whatever he wanted" said his children. **Book Panda Bear passion** "His slowest works were produced when publishers insisted on a certain kind of novel extra spicy etc: **EPub Panda Bear passion** Pseudonyms include Kay Addams Joe Black Roger Normandie Charles Verne Nicky Weaver, **Panda Bear Passion booking** Publishers include Avon Beacon (later Softcover Library) Chariot Domino (Lancer) Ember Library Gaslight Key Publishing Kozy MacFadden Midwood Novel P: **Panda Bear Passion booklet** C Red Lantern Sabre Uni books Valentine Books Vantage Press Vest Pocket Wisdom House: **Panda Bear Passion fiction vs** Many of such writers were hacks using thin plots as an excuse to throw tits ass between covers for a quick buck. **Book Panda Bear passionflix** Others used the genre as a stepping stone to legitimate writing later dismissing this part of their career, **Panda Bear Passion kindle store** There were few like Hitt whose writing left an original idiosyncratic lasting mark even beyond the horizons of '50s mid 60s adult publishing. **Panda Bear passionless synonym** Wanting to write about a nudist camp he went to one tho "he wouldn't disrobe", **Panda Bear Passion kindle app** "She thought "Orrie Hitt" a pseudonym "Kay Addams" a real lesbian author! Orrie'd like that one, **Panda Bear passionately** "Dad seldom spoke of his father who'd committed suicide because it was a very unpleasant chapter in his life" said his children. **EBook Panda Bear passionflix** After Father's death Orrie his mother moved to Forestburgh NY where they worked for a hunting fishing club. **Panda Bear passionist sunday** "Dad talked a lot about working as a child to help his mother make ends meet" his children recalled.

Panda Bear passioncooksph "He wanted his children to have a better life while growing up[1]

It's probably half of his output. Not because it's good but because of the cover art. And I gotta admit that that is a pretty appealing cover. I mean it got me to pick up the book. "Excitement ripped through him. Her breasts were wild mountains of pulsing flesh. He moved his hand and she spread her legs wide. His fingers probed her and she trembled. She brought her knees up bending them giving him room. 'Ram it into me' she commanded writhing beneath him.". Typos and errors abound on every page. So 2 stars for that. Everything else is just sex scenes). The end. So yeah that's about it. But hey it's got a cool cover. Orrie Charlotte had 4 kids—Joyce Margaret David Nancy. Hitt wrote maybe 150 books. He wasn't sure. "All I do is write. Orrie Charlotte had 4 kids—Joyce Margaret David Nancy. Hitt wrote maybe 150 books. He wasn't sure. "All I do is write."Most of Hitt's books were PBOs. He also wrote some hardcovers.E.He wrote in the adults only genre. He studied what he wrote about.His research allowed him to write convincingly. S.It wasn't just about sex. It was also about guts. That's what I'm after. Guts." If anyone knew about guts it was him.Life started out tough for Hitt. His father committed suicide when he was 11. He started doing chores for wealthy members for \$.10 hourly. Management offered him a better job later at.25 hourly. Eventually he became club caretaker supervisor."Tragedy struck Hitt again during those years
