

Captive Prince (Captive Prince, #1) By C.S. Pacat **EBook Captive princess cruises** Will Damen be able to escape the corrupt court of Vere or will someone blow his cover before he even gets a decent chance to flee? I know the story sounds so cliché and cheesy! And in fact it is! But damn did I enjoy this reread! *lol* I think it's because I know what's coming in the next two books and to be aware of the plot made this reread such an interesting experience. **Captive prince polish** XD I think she didn't really know what she wanted to achieve with the first book and mainly aimed to shock her audience.

Captive prince book 2

And his mind is no longer that of a child. **Captive princekin** "Did anyone of you ever notice that the people of Vere always consider the Akielons to be barbaric and brute? Considering what I saw of the Regents court I'd rather say it's the other way around!! They hide behind their sophisticated demeanour and their complicated clothes but in fact they are the true barbarians of the story.

I really enjoyed my re-read and I can't wait to see the "true Laurent" in the next book! XD I think what made this even more fun was the fact that it was a buddy read with my two lovely girls! My adorable Gansey and mo mhuirín kept me entertained with their different opinions (and their strong emotions *lol*) and it was such a pleasure to be able to discuss this book! =) I can't wait to dive into "Prince's Gambit"! ;-) Now it's finally getting cute and nice! <3 English This might get -a tad- salty. **PDF Captive princess** But in the lethal political web of the Veretian court nothing is as it seems and when Damen finds himself caught up in a play for the throne he must work together with Laurent to survive and save his country. **Kindle Captive princess** Because the one man Damen needs is the one man who has more reason to hate him than anyone else... Includes an exclusive extra story! Captive Prince (Captive Prince #1)LOVED. **Captive prince book** There has been a lot of criticism in recent years of gratuitous sexual violence against women in books movies and TV shows as it is both offensive and harmful to the feminist movement. **Books like captive prince** But apparently sexual violence is only a problem when directed against women while it's fine to have graphic scenes that serve no purpose other than to "entertain" the reader as long as men are the ones getting raped? (Although how someone could find these scenes entertaining is beyond me. **Captive princess marie** Since I've seen people argue that the book isn't that bad because the main character doesn't actually get raped himself I'd like to point out that forced oral sex is still rape. **Captive prince pdf** In Captive Prince Damen has oral sex forced on him and although he does have an orgasm that doesn't change the fact that as a sex slave the act is in no way consensual. **Captive princeking** The potential for a solid fantasy is definitely there I found the book hard to put down despite my revulsion and I can see why people are quick to let themselves "forget" how the story starts. **Captive princess marie walkthrough** Unfortunately no amount of engaging plot or world building can make up for the rape and sexual slavery in the first two thirds of the book nor can a sex slave owner suddenly become a believable love interest for the sex slave. **Captive prince book 3 pdf** I'm assuming that's where the story is headed at least: Laurent has a tragic back story; he's not really a bad guy he's just misunderstood; he doesn't actually rape his sex slaves himself but lets others do the raping for him; he secretly has feelings for Damen etc. **Captive prince hardcover** I know this is a current trend in the romance genre but how much (justified) outrage has there been at these novels? I fail to see how the upcoming "romance" in the Captive Prince trilogy is any different and to be honest I'm horrified by all the praise it has received. **Captive prince book** A book has to be completely amazing to change my mind about an m/m romance and this book while not selling me on the genre did a tremendous job of engaging my attention. **Captive prince 2 pdf** Let's make it clear this book contains torture sadism rampant displays of sex - generally things that I don't care for because despite my rampant use of profanity I am a prude at heart. **Kindle Captive**

princeton The focus of this book - indeed the whole series it would seem - is on the relationship between two men and their relationships with other royals guards and slaves around them. **Die prinzen book captive prince** Book 3 will be my most anticipated release of next year (if that is when it will come out)! English I'm aware that "Captive Prince" is a highly controversial book and I know that many people have a lot of mixed feelings about it. **Captive princekin** Our modern minds have a tendency to shy away from those kinds of things but just because a book makes you feel disgusted and angry this still doesn't automatically mean that it's a bad book. **Captive prince book 2 pdf** For instance the moment with Ancel and Damen in the gardens!!! I'll never ever be okay with that scene!!! BUTIn contrast to the generally prevailing opinion she always touches those delicate subjects with care. **Captive prince book** Well at least with as much care as is possible in such a book... In my subjective opinion she doesn't glorify the conditions of the pets and slaves at Vere's court and she definitely doesn't sympathize with their tormentors. **Captive prince book 3 read online** Pacat shouldn't be blamed for mentioning those topics because for some people they were actually reality (ancient Rome and Greece instantly come to mind) and in fact still are a part of some people's reality. **PDF Captive prince** Well this said I'm glad that the world in Pacat's book is just fictional and that I can finally get to the fun part: My actual review! The plot:Betrayed by his own brother and shipped into the lands of his enemies Prince Damianos of Akielos ends up in the foreign land of Vere. **Captive prince volume 3 pdf** Brought as a gift for Prince Laurent he is supposed to be the young heir's pleasure slave a role that revolts Damen immensely and makes it exceptionally difficult to keep a low profile. **Captive prince fanart** I feel soo damn sorry for what happens to him in this book! He doesn't deserve any of the things that happen to him (not that anyone would ever deserve such things!!) and he's such a precious and innocent soul. **Captive prince free** No matter what happens to him he always does what he thinks is right and if that means that he'll take a beating for his convictions and beliefs he still goes through with it! I love that about him! He's brave and honourable and at the corrupt and thoroughly tainted court of Vere to be like that is actually more than just an achievement! XD" He wanted to face Kastor his brother and ask him man to man why he had done what he had done. **Captive princefield trust** "Oh Laurent! My ruthless and poisonous "nest of scorpions"! He's so damn cruel and obnoxious in this book I can totally see why everyone hates him! *lol* My weird and crazy mind always likes a good villain though so it's no surprise I actually ended up loving him. **Captive prince book** Admittedly we really don't see a lot of it in the first book (which actually is the reason why it's the weakest and worst book of the entire series) but since I know that this is going to change I really can't wait to read book two. **Captive prince volume 3 pdf** Poor young and innocent Nicaise... Urgh... he was 10 when he started to serve the Regent... 10 for Christ's sake!!! I'll never get over that! "Don't underestimate him because of his age. **Captive prince laurent** He has experienced things many adults have not none more so than the Regent himself!!! I despise and hate that man so much and I truly hope he burns in the nine circles of hell. **Books like captive prince** *lol* So yes the Regent is a villain I hate with a fierce passion and I can't wait for him to get what he deserves!!! *grrrr*"Why must you always defy me? I hate it when we are at odds yet you force me to chastise you. **Captive princekin** What the fuck is a story without a well rounded well constructed plot anyway? And if you can't deliver on a good plot at least have some interesting characters to keep the reader engaged. **Captive prince pdf** I understand the need to inform us the basics and inner machinations of the court politics to set the scene for how they treat their (sex) slaves and whatnot but all the rest was just like okay I get it: They're fucking demented. **Captive Prince epub reader** The worst is that he is supposed to be willing to be forever a sex slave because the king his master gets tired of children when they grow up and Nicasious is eagerly searching for a new master. **Captive princekin** No romance by the end of the book there's not even a kiss Stockholm Syndrome Erasmus A sexual slave gets raped all the time but he supposedly enjoys being a sex pet and is all grateful when he gets to serve another master because said master treats sex-slaves better. **Captive princefield first** Sorry but in what sick world a sex-slave enjoys being a slave?How is that romantic or sexy? Extreme violence Laurent the MC love interest is a Prince and he gives orders to whip Damianos. **Captive prince pdf** How is

that romantic? Double standards So Christian Grey gets the sh*t here in GR although he NEVER raped ANA (although to be honest he pushed her consent but NEVER raped her) yet Laurent gets nothing but praise??? So dubious consent sexual violence and rape are okay when the characters are male? NO JUST NO!! That's not feminist at all that's not fair. **Captive prince book 2** Oh the abusive relationship in romance! But because the victim is a male then it's okay? How is that fair? Unsafe reads This is supposedly a slow-burn-romance between two males but there's a lot of cheating and disloyalty. **Captive prince pdf** This is not the best book to portray diverse couples because as it is a lot of people think wrongly that homosexuality and bisexuality are against nature and that Bisexuals and Homosexual aren't capable of loving committed relationships. **Captive princekin** Final note: There are reviewers here in GR who praise this book to no end and yet get all angry and write rants about romances like Twilight Hopeless FSOG Beautiful disaster and other romance books of the romance genre. **Captive prince pdf** At time it feels like some of those reviewers are trying to make the people who enjoy for example FSOG bad with themselves because they are supporting a book that portrays an abusive relationship. **Captive princefield trust** But just like the the captive prince fanbase knows the difference between reality and books the FSOG fanbase knows better than go and get themselves in abusive relationships because of a book. **Captive prince hardcover** My problem is when the double standard comes: Contrary to popular GR belief the people who enjoy books that portray abusive M/F relationships are as smart as the people who enjoys Captive prince. **Captive prince damen** So anyone who enjoys FSOG or any other bad-reviewed romance but never says it aloud for fear of how their opinion will make them look in a site like GR where people trash abusive relationship books should say it aloud. **Captive prince book 3 read online** If you like me feel uncomfortable reading certain topics ignore most of the 5 star reviews very few of them mention the problematic issues of this book and most lack trigger warnings: The writing is so crisp and fan-freaking-tastic that it gives each word the power that it is due, **Captive prince hardcover** The way the author portrayed Laurent in the beginning made me think I could never sympathize with him: **Captive prince epub** It is through truly skilled writing that little facts play out just as they should over time and reveal Laurent's character in new lights, **EBook Captive prince william** We learn hard truths along with Damen and I felt my point of view morphing as his did, **Captive Prince ebook** I was entwined with Damen and felt deeply connected to his story and his emotional and physical journey, **Captive princess marie** Book 1 set the stage for book 2.

But when his half brother seizes power Damen is captured stripped of his identity and sent to serve the prince of an enemy nation as a pleasure slave. **Captive prince book** Beautiful manipulative and deadly his new master Prince Laurent epitomizes the worst of the court at Vere: **EBook Captive princeton** For Damen there is just one rule: never ever reveal his true identity: **Captive princeking** There are so many things wrong with Captive Prince it's hard to know where to start. **Captive princefield trust** I'm having trouble understanding how this book can be praised by so many people, **Captive princekin** I love seeing queer relationships in books but the characters in Captive Prince are either sex slave owners or sex slaves themselves, **Captive Prince epub.pub** Personally I don't think that's the kind of "relationship" we should be promoting regardless of whether it's queer or not. **Captive prince 2 pdf** I fail to see how a book with graphic same sex rape scenes is beneficial to the "We Need Diverse Books" campaign. **Captive prince laurent** We need positive portrayals of queer characters yes but we don't need degrading ones: **Captive prince book**) When I define feminism I think of women being valued as highly as men and being treated with as much respect — not more: **Captive prince book 3 pdf** I'm not sure why this is such a hard concept but my guess is that it's connected to the fallacy that men can't be raped in the first place, **Books like captive prince** Having an orgasm does not equal consent and that's a dangerous idea to perpetuate, **Captive Prince epub reader** Rape isn't the only thing trivialized by Captive Prince; sexual slavery is as well, **Books like captive prince** At one point Damen compares sexual slavery in his home country of Akielos to that in Vere where he himself is a sex slave. **Captive prince book 2** According to him sex slaves in Akielos know that they're trading their personal freedom for "perfect treatment" by their masters as if this somehow makes it okay, **Captive prince hardcover** Not only that but the life of a sex slave is glorified in the short story included in the paperback which gives the background story of a minor character from the book, **Captive prince pdf** Claiming that sexual slavery is "not that bad" because the sex slaves are "treated well" they "enjoy their work" and it's "for their own good" doesn't excuse it. **PDF Captive prince harry** The first two thirds of the book essentially has no plot but instead features explicit rape scenes alludes to even more and throws in a beating or two to mix things up: **Captive prince fanfiction** Pacat seemingly changes her mind and decides she wants to write a real fantasy novel rather than rape erotica. **Captive prince book** At this point the book actually does become captivating — the good kind, **Captive prince book summary** Shipping Laurent and Damon is the equivalent of shipping a Nazi concentration camp guard with a Jewish prisoner, **Books like captive prince** *hiccup*You know-*gestures with wine glass**sloshes some over the side*I mean this book-*licks wine off fingers**tries to refocus*What was I saying? Just to make that perfectly clear!) There is rape slavery sexual abuse torture violence and even the mention of paedophilia, **Captive prince laurent** Just to name a few of them and there are scenes that no doubt will revolt you immensely, **Captive prince book** I think the fact we see everything through Damen's eyes the eyes of a mistreated slave is testimonial enough that C. **Captive prince read online** Pacat is not okay with the things that happen to the slaves in the book! You are permanently disgusted by us aren't you? said Laurent, **Captive prince fandom** I guess that quote says it all! So yes I do get why the topics in this book rub people the wrong way and I know that "Captive Prince" might not be for everyone, **Books like captive prince** I still want you to keep in mind that things like that are nothing new though: **Captive princeking** Throughout the long history of mankind those subjects have always been a part of our lives, **Captive prince laurent** There were plenty of wars and people have always been tortured raped abused and enslaved! Damn it! Who am I kidding? Things like that still happen all around the world: **Captive prince book 1** Just take a closer look at other countries (or even your own) and you'll know what I mean. **Books like captive prince** Whilst it's true that Pacat sometimes has a tendency to exaggerate excessively and easily slips into clichés that doesn't mean that all parts of the historical accuracy are wrong:

Captive prince fanfic ;-) The author obviously aims to provoke and we are supposed to feel uncomfortable when we read her book, **Captive prince laurent** I can only speak for myself but in my case it definitely worked, **Captive prince book 2 pdf** Powerless and enslaved he has no other choice than to obey though but boy does it get better in "Prince's Gambit", **Captive prince book 1** Anyway let's head to the characters section! I can't wait to gush about those two! *lol*The characters:Damen - The pleasure slave"Why not?" said Damen. **Captive princefield trust** "I don't share your craven habit of hitting only those who cannot hit back and I take no pleasure in hurting those weaker than myself, **EPub Captive princess cruises** " Driven past reason the words came out in his own language, **Captive prince hardcover** Even enslaved and in the hands of the enemy he still tries everything possible in order to help his people and to remain true to himself, **Die prinzen book captive prince** And what did it mean to be a prince if he did not strive to protect those weaker than himself?"This place sickened him. **Die prinzen book captive prince** Or poisoned him if you had the honourless instincts of an assassin. **Captive prince free** Here it was layer upon layer of constructed double-dealing dark polished and unpleasant: **Captive prince pdf** "Laurent - The cast-iron bitch"Laurent was indeed good at talking. **Captive prince 2 pdf** He stopped the flow of talk when it became dangerously critical of his uncle: **Captive prince book 1** He said nothing that could be taken as an open slight on the Regency, **Captive prince book 1** Yet no one who talked to him could have any doubt that his uncle was behaving at best misguidedly and at worst treasonously: **PDF Captive prince harry** XD Laurent is such a complex and well-thought-out character it's a pleasure to read about all his cunning and almost artful schemes: **Captive prince book 3 pdf** I know one of my fellow buddy readers hated him fiercely! Haha! ;-P The prince of Vere isn't all controlled anger and hate though; he has a soft side too, **Captive prince laurent** And yes I admit it: Laurent's cunning and strategical mind is sexy! Don't blame me just like Damen I stand by my opinion. **Captive prince book 2** I wouldn't want you in my bed but you'd have all the same privileges. **PDF Captive prince harry** "Laurent went very still; then he deliberately shifted in his seat and leaned in bringing his lips right to Damen's ear, **Captive Prince Science Fiction fantasy 5** "I think I'm out of stabbing range he's got short arms. **Captive prince book 1** Or perhaps he'll try to throw a sugarplum? That is difficult: **Captive Prince kindle app** He tucked it carefully into a fold of his riding clothes: **Captive Prince kindle app** Then after a moment he reached out and touched Nicaise's chin with one knuckle. **PDF Captive prince harry** "He gives them all up" said Laurent "even if you're more enterprising than the others have been, **Captive prince book summary** I know he's bitchy and at least as insufferable as Laurent I can't help but like him though: **Captive prince book** When it comes down to it he's just a product of his environment and he's still so very young, **Captive prince hardcover** I hate and despise the Regent for choosing him as his pet and the thought of them together makes me feel sick to my stomach: **Captive prince book 3 pdf** >_< It's obvious Nicaise and Laurent care about each other deeply yet they have no other choice than to play by the Regent's rules. **Captive prince volume 3 pdf** Come to think of it his actions might easily cause him to end up in all of them: **Captive prince book 3 read online** I hate to see you grown up like this" said the Regent "when you were such a lovely boy, **Captive prince pdf** Now how about you give me a plot or story to work with other than THAT! Oh and by the way sex with a 13-year-old is called Paedophilia for fuck's sake. **Captive prince book 2** Sorry if I'm not "getting what the book is really about": **Captive princess** What the hell was it about anyway? I still don't get it, **Captive prince book 1** I'm told books two and three knock it out of the park so see we shall. **Captive princekin** English TRIGGER WARNINGS ALERT Stay away from this one if you prefer safe reads. **Captive princekin** Don't read my review if the word rape makes you uncomfortable because I use it a lot because this book has a lot of that: **Captive Prince kindle direct** I don't recommend this if you feel uncomfortable reading about: Pedophilia Nicasius is only 13 and he's used as a sex slave. **EBook Captive princess cruises** Rape and Sexual violence Damianos the Main character is entered in a slave contest where the loser gets raped, **Captive prince pdf** He gets drugged by Laurent his love interest so that he'll get weakened and lose the contest and Laurent can watch when Damianos gets raped, **Captive prince volume 3 pdf** Later Damiano's forced to receive oral

sex from another slave to the enjoyment of Laurent: **Captive prince book 3 read online** This is vividly described and Damianos spends some time recovering from his injuries. **Captive prince book 2** If the main character had been Princess Damiana everyone and their dog would be screaming murder, **Books like captive prince** In the sequel of this rape -fest Laurent who is Damianos owner and master lends Damianos to a group of women warriors so that they can use him for reproductive purposes, **Die prinzen book captive prince** Laurent's not even slightly jealous! He laughs with joy when Damianos returns to their tent worn-out from having sex with a lot of women in just one night, **Captive Prince epub** Damianos is attracted to Laurent but he is more attracted to women than to males. **Die prinzen book captive prince** So we the readers don't get a little bit of cute jealousy and the couple doesn't kiss until way into the second book, **Captive princess marie walkthrough** I'm not the most articulated coherent reviewer so I invite you to read these reviews if you want more info on the problematic issues of this book. **Captive prince book 2** The writing is exquisite and clever but it's the most disgusting portrayal of an M/M relationship, **Books like captive prince** Contrary to what this book portrays Homosexual Men have healthy committed relationships , **Captive prince book 1** This book only re-inforces the idea of sexually degenerated characters: **Captive princeking** I gave two stars to the sequel because the graphic rapes aren't present: **Captive princekin** It's cleverly written and it's addictive but it's still a harsh read because poor Nicaise, **Captive prince audiobook** This isn't about me having a problem with the people who like this book. **Captive prince laurent** I think it's okay if people enjoy this kind of books because* Everyone has different tastes and opinions and all opinions are equally valid: **Captive prince art** * WE ALL ARE SMART! WE ALL KNOW HOW TO DIFFERENTIATE REALITY FROM BOOKS. **Captive Prince kindle store** The people who love this book to death aren't supporters of rape this is just a book: **Captive prince book** Most of FSOG bashers are top reviewers who praise this rape-fest so there's nothing wrong with liking FSOG or any other poorly-reviewed romance, **Captive prince book 2** Read some 3 stars reviews and some triggers warnings before deciding if this book is for you or not, **Captive princefield trust** don't even fucking think about this piece of burning garbage: **Captive prince book 2** i don't give a shit don't read this atrocity English

Smart writing that sets this book apart. Details sing in all the right ways. The book is a study in deception and human emotion. It grips you until the very end.””He ordered everyone out of his apartments. I wouldn’t try to see him.””Why not?” Nicaise said. He looked past Damen towards Laurent’s chamber. “What happened? Is he all right?”The Regent – Mr.Well. The characters were boring and one-dimensional as shit. The plot was profoundly lacking. Or more like.

C.S.S. From global phenomenon C. S. English CW: rape sexual slaverySexual slavery isn’t sexy. Corporal punishment isn’t sexy. Rape isn’t sexy and it certainly isn’t entertainment. It is rape any way you look at it. As far as I can tell all the kingdoms in C. S. Pacat’s world support sexual slavery.

All of a sudden C. S. Let's stop right there. English WARNING: I'VE BEEN DRINKING. This fucking book man. *takes another sip* There's Damen. A prince betrayed by his bastard of a brother. Sold into slavery to an enemy nation. He's as beautiful as he is brilliant. As manipulative as he is sadistic. As enigmatic as *hiccup* I hate his face. I want to do terrible things to him. Dirty lascivious debauched terrible terrible things. *wanders off in search of appropriate meme* AH-HA! FOUND ONE. The world surrounding these characters is just as harsh. Brutal seductive violent depraved. For example I don't read new adult. I don't read chick lit. I don't read m/m. It's simple as that. *blushes* Despite those facts I really liked this book. The characters are so well-written. Damen is the Captive Prince. He forces himself into submissiveness. He knew what he had to do. 'I fight in your service Your Highness. 'I exist only to please my Prince. May my victory reflect on your glory.' Laurent. Damn. Laurent murmured: 'Filthy painted slut. No I will not be reading m/m all my days. 2) Characters that grow and develop with the plot. 3) Chemistry both sexual and otherwise. I loved how our perception of him changes gradually. Not surprisingly the two princes despise each other at first. [amazon.com/Captive-Prince](https://www.amazon.com/Captive-Prince). *This book owned me today completely owned me. I just have to give S. U. Pacat a huge round of applause. I was 100% drawn into Captive Prince. It was like my eyes were glued to my phone today. I wouldn't and couldn't stop reading. There are no missteps. As it seems you either hate it or you love it. There is no in-between. Sure C.S. Pacat confronts us with a lot of heavy topics. S. So yeah I think what I want to say is that C.S. We should neither forget that nor ignore it. But life in Akielos went on without Damianos. These slaves had no one else to help them. Anywhere else you simply killed your enemy with a sword. He accepted sympathy gracefully. He put his position rationally. Well at least for me it was. ;-)"I'll offer for you if you like. When the time comes. You might prefer that. I'd offer. If I duck he'll hit Torveld." Laurent took it without saying anything. "You look better without all the paint" said Laurent. Nicaise - The pet "I don't need you. He's promised. He's not going to give me up." Nicaise's voice was smug and self-satisfied. "I will always have a soft spot for Nicaise. You seem determined to wreck everything in your path.
