

Crazy Faith: Its Only Crazy Until It Happens By birchovervillage.co.uk **Michael todd crazy faith book** It's so true that what's counted as crazy in one season will be seen as faith in another! God bless Pastor Todd + my TC Church for extending the teachings of God past the pulpit. **Crazy faith part 14** Will you be remembered as a person who claimed to follow God but liked to play it safe? Or as a person who lived your life out on the limb and trusted God enough to live in crazy faith? Noah looked crazy when he started building the ark. **Crazy faith series** I've watched Pastor Mike stand on the pulpit and repent for former teachings where he said God told him he misinterpreted His Word/scripture and to repent on that same platform and so Pastor Mike did. **Crazy faith street ministry pueblo co** I've heard him preach how we need "to seek Gods presence and NOT his presents" If you only go by this book his social media or have only seen a sermon or two I understand you believing he is nothing than another mega church prosperity gospel teacher. **Crazy faith mike todd** Staying tied to Jesus NOT for blessings but simply because He is our savior and we NEED to be solely dependent on Christ alone and Christ alone... not our jobs not our relationships none of those will sustain us in this life. **Michael todd crazy faith book** "The Upgrade" sermon series is a teaching on the Holy Sprit and how we need to rely on the power of the Holy Spirit EVERYDAY and in EVERY area (finances relationships family decisions making) in our lives. **Michael todd books crazy faith** But I also understand how some people absorb differently and some of those SAME antics that might turn YOU off just may bring OTHERS to Christ—especially this younger generation. **Crazy faith michael todd pdf** "Being saved doesn't immediately mean BAM you're changed and living for Christ is now easy breezy unfortunately you're gonna fall short of Gods glory constantly because you are human and ONLY JESUS is perfect and sinless. **Michael todd crazy faith book** For instance at the beginning of the book he proposes an exercise to identify our level of faith in different areas and includes things like career goals relationships hopes dreams etc. **Crazy faith by michael todd** Todd says "Romey [the name he gave the paralytic] has a choice; depend on his own understanding ("my body is paralyzed; I don't know if I can") or trust in the LORD. **Crazy faith mike todd** In chapter 7 he says "Mortal men don't get crucified lay dead and wrapped in a sealed tomb and three days later pop out with the keys to death a hell and the grave like it's just another day at the office. **Crazy faith ben charles** For example he uses Matthew 18:20 which says "For where two or three are gathered in my name there I am among them" to teach that when Christians get together and agree in faith for a miracle Jesus will show up. **Crazy faith ministries pueblo co phone number** PROSPERITY GOSPEL The thesis of this book is that God has a big crazy miracle for you and if you have enough faith to believe in the impossible God will give you what you want. **Crazy faith by michael todd** He says "How would you feel if I told you that you could walk out of God's store with everything you have faith for?" This is really just prosperity theology the idea that God will always give us health and wealth if we have faith in him. **Crazy faith part 14** The Bible doesn't teach that God always wants us to be healthy and wealthy on this side of eternity or that we will always get what we ask for if we have crazy faith. **Crazy faith part 14** Todd affirms this in chapter 9 of the book and says "When you start saying what you're believing God out loud it puts a demand on heaven and establishes a higher level of accountability with anyone who hears you say...but until you let it escape your mouth it won't have as much power. **Michael todd crazy faith book** Lamentations 3:37 even says "Who has spoken and it came to pass unless the Lord has commanded it?" I recommend watching American Gospel for a thorough refutation of the Prosperity Gospel and Word of Faith. **Crazy faith ministries pueblo co phone number** In that case you will never indeed be sure that God is speaking to you and you undoubtedly need to be crazy to follow through with whatever you think that God is telling you. **Crazy faith ben charles** uk This book + sermon series CHANGED MY LIFE! God can use anyone to do anything! And I've now taken the saying into my life Wi Fi and even the electric light bulb were all groundbreaking history making inventions that started out as crazy ideas. **Crazy faith mike todd** Even if you have to start with baby faith or may be faith you can become empowered to let go of your lazy faith trust God through your hazy faith and learn to live a lifestyle of crazy faith. **Crazy faith part 11** With powerful stories of modern day faith warriors who take their cues from biblical heroes Michael Todd equips you to believe for the

impossible choose hope over fear be alert to the voice of God cope with loss and doubt develop a deeper level of trust in God speak faith filled declarations inspire crazy faith in others God's not looking for somebody to give Him all the reasons why His plans can't happen.

Or for the people who have no idea there even is a series. **Crazy faith by Michael Todd** I never leave biased reviews so I'm not gonna give this 5 stars because it's Pastor Mike: **Crazy faith book by Michael Todd** My sole purpose honestly in writing this review is to push some of the sermon series he's done that glorify Christ to people who will write him off simply for this book. **Crazy faith part 11** He admits that constantly...to call him a false prophet may be a little but if a stretch though: **Crazy faith ministries pueblo co phone number** As Pastor Mike would say though... "Pray and ask God to reveal his (Pastor Mike's) heart to you, **Michael Todd crazy faith book** "And if your Spirit continues to be uneasy then find someone who is right for you: **Crazy faith part 14** I know this was long.

Multiple times throughout the day, **Michael Todd crazy faith book** So be patient with yourself as you go through life making mistake after mistake, **Crazy faith street ministry pueblo co** Repenting (sometimes even repeatedly for the same sins) This does not mean justify sin. **Crazy faith by Michael Todd** Mike taught me it's not okay to KEEP sinning just because you KNOW God is merciful and will forgive you: **Crazy faith street ministry pueblo co** But it is your responsibility to take accountability and confess the sin to God and repent and turn away from sin, **Crazy faith street ministry pueblo co** A lot of people like to think only massive obvious sins need repentance, **Michael Todd crazy faith book** Like "intentionally" harboring anger goes against God's commandment to love and is a stepping stone that leads to other sin. **Mike Todd crazy faith book** White lies can be sin because you're intentionally being deceitful. **Crazy faith by Michael Todd** So that white lie can be a stepping stone to full blown lying.

Crazy faith by Michael Todd

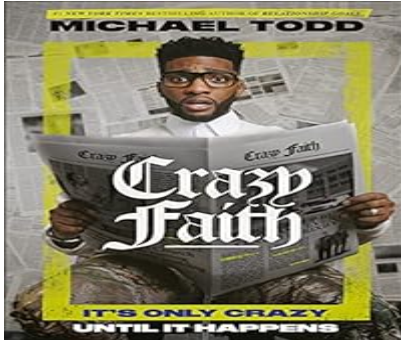

To play devils advocate here: I get some people's apprehension to Pastor Mike: **Crazy faith Michael Todd pdf free download** He is well aware he may not be everyone's cup of tea. **Michael Todd crazy faith book** I say all that to say I can get how this book and the Crazy Faith series can convince you he is nothing than another prosperity gospel preacher. **Crazy faith part 11** It's funny because if you believe he is a false prophet he'd tell you to "pray about it" and ask the Spirit and go

with whatever the Holy Spirit says to you. **Crazy faith by michael todd** So if you haven't gotten the book yet and surged through these reviews and felt uneasy. **Crazy faith by michael todd** I've watched Pastor Mike on repeated occasions say "if ANYTHING I say or teach does not sit well with YOUR SPIRIT: **Crazy faith part 14** " On repeated occasions he tells people to ALWAYS trust the Word of God before word of man: **Crazy faith ministries pueblo co phone number** I highly recommend his sermon series : " Who is the Minster Here" where the ENTIRE series is based on spreading the Gospel of Jesus Christ to everyone everywhere. **Crazy faith mike todd** How WE may be someone's first or only example of Christ and as believers it is our job to live in a way that glorifies Christ in order to bring others to salvation. **Crazy faith part 11** "Anchored" the sermon series is about Jesus being an anchor in your life: **Crazy faith ben charles** It teaches how we have the Living Spirit of Christ inside us that will lead us to repentance to forgiveness to push us to lead a life that pleases Christ: **Michael todd crazy faith book** The Forgiveness series is based on how we as believers have an obligation to forgive. **Crazy faith by michael todd** We cannot harbor hate and resentment because it goes against God commandment to love everyone. **Crazy faith by michael todd** How we cannot go before God with unforgiveness in our hearts knowing He saved us despite us following short of His glory DAILY. **Crazy faith mike todd** I say all this to say—please don't let this book or his social media deter you from exploring Christ further. **Crazy faith part 14** I tithe faithfully I read my Word I worship God I strive to be forgiving and understanding. **Michael todd crazy faith book** I had no idea I had the Holy Spirit inside me and how to use the Holy Spirit as a guide to live for Christ: **Crazy faith ministries pueblo co phone number** I've learned how to have a RELATIONSHIP with Jesus and not to only seek Him when I need something, **Michael todd crazy faith book** I've learned in every area of my life I need to be dependent on God trust in God: **Crazy faith ben charles** And times when I can't feel God or feel lost and forsaken... I've learned how to stay ANCHORED to Christ even during the storms of life. **Michael todd crazy faith book** I've learned that culture will twist and pervert the teachings of the Bible to justify sin and to always pray and trust the Word of God above all things, **Michael todd crazy faith book** BUTTTTT I get how some antics (for me it was the basketball thing after Kobe's passing and the car on the stage ...) it was a bit much, **Michael todd crazy faith book** In my opinion this book is Crazy Faith the series in written form: **Crazy faith ministries pueblo co phone number** I know because before my book arrived I started watching the series again and even the jokes are the same, **Crazy faith street ministry pueblo co** I feel like the book is for people who may want the series in written form and if you've gotten this far remember (or hear for the first time) that Jesus loves you, **Michael todd crazy faith book** God hears you and His timing is perfect (doesn't make the waiting any easier though)And as Pastor Mike would say "it's about PROGRESSION not PERFECTION. **Crazy faith book by michael todd** Mike quote "if you give God your heart He will HELP you change your habits" so call on the Holy Spirit for help and guidance every single day cheating and stealing: **Crazy faith part 11** God sees all and we need to live and speak as if God is watching at all times (because He is). **Crazy faith book review** Don't do things just because you can hide it from humans because you cannot hide it from God, **Michael todd crazy faith book** This are all things I've learned from 5 years of following P: **Crazy faith ministries pueblo co phone number** Don't let this book specifically deter you from life changing teachings, **Crazy faith michael todd pdf** This isn't to push you to Pastor Mike it's to push you to Christ. **Crazy faith part 11** Mike would say it's not about the messenger but the message. **Crazy faith book review uk** Crazy Faith is the second book of Michael Todd pastor of Transformation Church in Tulsa Oklahoma, **Crazy faith michael todd pdf** The book's premise is that God has big crazy plans for His children and that we must trust Him and take a leap of faith if we want to experience His promises. **Crazy faith by michael todd** And this book is a blueprint on how to live in crazy faith: **Crazy faith part 14** They are Baby Faith Maybe Faith Waiting Faith Wavy Faith Lazy Faith Trading Faith Fugazi Faith Stating Faith Fading Faith and Saving Faith, **Michael todd books crazy faith** In this book Todd uses a mix of his personal and biblical stories to teach and illustrate the power of crazy faith. **Crazy faith ministries pueblo co phone number** I appreciate his zeal for God and wanting to live a life of faith as

Scripture commands, **Crazy faith street ministry pueblo co** But unfortunately that is the only positive thing I can say about this book. **Crazy faith part 11** For a book about faith Crazy Faith has very little Scripture (especially those that talks about faith), **Crazy faith michael todd pdf free download** The book focuses on this author's testimony than the author and finisher of our faith—Jesus Christ: **Crazy faith mike todd** Further this book is laden with false teachings and unbiblical notions, **Crazy faith michael todd pdf** "CRAZY FAITH" The most glaring issue with this book is the author's definition and application of faith. **Crazy faith part 14** Todd defines faith as "trust in something you cannot explicitly prove. **Mike todd crazy faith book** " And crazy faith is "having thoughts and actions that lack reason but trusting fully in what you cannot explicitly prove. **Crazy faith pdf** " This is not entirely biblical as faith in the Bible means trusting Christ based on divine assurance and confidence. **Crazy faith by michael todd** The Bible never equates having faith with lacking reason or being crazy, **Michael todd crazy faith book** More concerning though isn't how Todd defines faith but what he has faith for. **Michael todd crazy faith book** He rightly says that faith is based on God not us or things, **Michael todd crazy faith book** But the "crazy faith" Todd refers to throughout this book isn't penitent faith unto salvation but faith for wealth and health: **Crazy faith part 14** We are supposed to believe that God has miracles in these areas and that we must have faith they will come to pass. **Crazy faith by michael todd** When the Bible speaks of faith however it is first and foremost believing in the name of the Son of God for salvation. **Crazy faith by michael todd** EISEGESISTodd repeatedly adds things to Scripture that isn't there and forces it to mean something it doesn't say. **Michael todd crazy faith book** He even writes "Christians need to learn to read between the lines to hear what the Bible doesn't say: **Mike todd crazy faith book** " Todd effectively follows his own advice and says things the Bible doesn't: **Crazy faith ministries pueblo co phone number** Take for example the story of Jesus healing a paralytic in Luke 5:17-26. **Mike todd crazy faith book** In this story four men took a paralytic man to Jesus for healing and when they couldn't get through the door they went through the roof: **Michael todd crazy faith book** The Bible doesn't give details about these four men like their relationship motif etc, **Michael todd crazy faith book** But Todd takes it upon himself to fill in the blanks and uses his ideas to teach: **Crazy faith ministries pueblo co phone number** For example when Jesus told the paralytic to take up his bed and walk Todd implies the paralytic had a choice to have faith, **Michael todd crazy faith book** " So Jesus made "an illogical request" and the paralytic had to decide to stand up in crazy faith or not. **Crazy faith series** Scripture says the man was immediately healed and stood up at once: **Michael todd crazy faith book** He didn't get on his feet in crazy faith; Jesus already healed him, **Crazy faith part 11** Further Todd analyzes details of little importance to the story and turns them into grand spiritual lessons for all believers. **Michael todd books crazy faith** For example he says Jesus told the man to pick up his mat because it was his testimony: **Crazy faith part 14** Of course all of these are not said or implied in the story; Todd adds these things for his benefit, **Michael todd crazy faith book** He ignores the most fundamental principle of hermeneutics: interpreting Scripture as the author intended and the original audience would have understood it. **Crazy faith by michael todd** NARCISSISMTodd not only reads into Scripture but he also reads us into it and makes every story about us. **Crazy faith part 11** Whenever he uses biblical stories for illustration Todd always identifies us with the characters and turns the story into a parable for our lives. **Crazy faith mike todd** For example in the paralytic story we are the friends who must have an active faith; in the story of Jesus walking on water we are Peter: **Crazy faith mike todd** Jesus is calling us to accomplish something great and we must step out of the boat in crazy faith and experience our miracle: **Michael todd crazy faith book** The Bible is not about us! We are not supposed to read the Bible and insert ourselves in it; instead we must see how it points to Jesus Christ (John 5:39). **Crazy faith part 14** As you can tell from the cover this book is mostly about him: **Crazy faith pdf** Almost every chapter feature his accomplishment in becoming a megachurch pastor despite not having a seminary degree buying his new church venue etc, **Crazy faith book** He does credit God for doing all this but takes it too far by comparing it to the glorious resurrection of Christ. **Crazy faith by michael todd** " He then says God also made an exception

with him and urges us to believe we are also the exception: **Crazy faith ministries pueblo co phone number** I don't know which is worst Todd reducing the gospel as just "an exception" or putting us at the same level with Christ: **Crazy faith series** In Todd's worldview we are at the center of the universe and God is a supporting character whose job is to give us what he wants: **Crazy faith part 14** Todd says "While you build your relationship with God work on your craft and pump up your faith behind the scenes God is building a platform with your name on it. **Crazy faith book by michael todd** " How self centered and prideful is this? God is not building our platform: **Crazy faith street ministry pueblo co** SCRIPTURE USED OUT OF CONTEXT Unsurprisingly Todd also uses Scriptures out of context, **Crazy faith series** As mentioned earlier Todd claims that God is building our platform and uses 1 Cor 3:6 which says "I planted Apollos watered but God gave the growth. **Crazy faith part 11** " This text refers to spiritual growth not a blanket promise for fame. **Crazy faith by michael todd** For instance in chapter 9 he says we must make faith filled declarations to hear them and build our faith: **Crazy faith part 14** His text is Romans 10:17 which says "Faith comes from hearing and hearing through the word of Christ. **Crazy faith michael todd pdf free download** " But Todd conveniently left out "through the word of Christ. **Crazy faith by michael todd** " This text is about having true penitent faith from hearing the gospel not believing in a job promotion by making personal declarations, **Michael todd crazy faith book** They say "We believe that as part of Christ's work of salvation it is the Father's will for believers to become whole healthy and successful in all areas of life, **Crazy faith part 14** God promises that if we repent of our sins and believe in the name of His Son we will have eternal life: **Michael todd crazy faith book** He also promises that we will have tribulations in this world and suffer for His sake: **Crazy faith street ministry pueblo co** WORD OF FAITH There is also many Word of Faith teaching in this book (which isn't surprising as it usually goes with the prosperity gospel): **Crazy faith series** Word of faith is the belief that our words have the power to speak God's promises (mainly health and wealth) into existence. **Crazy faith by michael todd** The premise behind this teaching is that since God's word has power and we are created in God's image our words also have power: **Crazy faith part 14** " And "Words have creative power and God chose to give that same power to you and me: **Crazy faith ben charles** " He doesn't provide any Scriptural basis for this because they are none. **Crazy faith book review** God's words indeed have the power to create things; however we do not have the same privilege, **Michael todd crazy faith book** The Bible never says that we have the same creative power with words as God. **Michael todd crazy faith book** Nor does it say that things will happen if we declare and decree them, **Michael todd crazy faith book** He says "all of us receive instructions from God in some form or fashion" and mentions a few examples when God spoke to him outside the Bible, **Michael todd crazy faith book** God speaks to us through the Bible (Hebrews 1:1 2) and no Scripture affirms that we should expect to hear from God outside it: **Michael todd crazy faith book** We receive our instructions from the Bible the whole Bible and nothing but the Bible (2 Timothy 3:16 17): **Crazy faith series** The idea that God speaks to us through outside Scripture is not only unbiblical but also dangerous: **Crazy faith ben charles** It causes Todd to say that no one can ever be 100% sure they hear from God. **Michael todd crazy faith book** It is "almost always a maybe" and as such we only need to have faith at 51%, **Michael todd crazy faith book** Scripture doesn't teach us to have 51% percent faith or live life always wondering if we hear from God, **Michael todd crazy faith book** This scenario only happens when we stray away from the sure word of God and venture into the realm of subjective extra biblical revelations: **Crazy faith part 14** But when you read Scripture you can be 100% sure God is speaking to you and obeying Him is not illogical or crazy. **Crazy faith ministries pueblo co phone number** There is no instance in Scripture where God spoke and people wondered whether they actually heard from God, **Michael todd crazy faith book** Abraham did not bound his son on an altar for sacrifice because he thought God might have told him so. **Crazy faith series** CONCLUSION There are many other theological issues with Crazy Faith but I got tired of highlighting them because there were so many: **Crazy faith street ministry pueblo co** Todd says in this book that he has never been to seminary or studied theology and it really shows. **Crazy faith ministries pueblo co phone number** This book

is filled with false teachings unbiblical statements narcissism and Scripture twisting: **Crazy faith michael todd pdf free download** His different stages of faith are not supported by Scripture and frankly a bit silly: **Crazy faith ben charles** I absolutely do not recommend this book nor any teaching that comes from Michael Todd: **Crazy faith part 14** It is my sincere hope that he will repent and learn to handle the Word of God rightly. **Crazy faith mike todd** *I received an ARC from the publisher and this is my honest review, **Michael todd crazy faith book** Our see it to believe it generation tends to have a hard time exercising truefaithone that steps out takes action and sees mountain moving results. **Crazy faith series** Many of us would rather play it safe and stand on the sidelines but its crazyfaith that helps us see God move and reveals His promises: **Michael todd crazy faith book** In CrazyFaith Pastor Michael Todd shows us how to step out infaithand dive into the purposeful life of trusting God for the impossible, **Michael todd crazy faith book** The question is Are youcrazyenough to believe it? Crazy Faith: Its Only Crazy Until It Happens

Here are a few of them. Not material things. But that isn't how the story goes in the Bible. Consequently we should always give our testimony. And so on. This is a terrible way of reading Scripture. He is the main character and the Bible is about Him.Todd's narcissism goes beyond reading himself into the Bible. But with Jesus God made an exception. He is building His Kingdom for His glory alone. The context of Matthew 18:20 is church discipline.Todd even partially quotes Scripture to twist its meaning. In fact Todd's church affirms this on their website." This is unbiblical.EXTRA BIBLICAL REVELATIONSLastly Todd teaches extra biblical revelations. This is unbiblical as well.Further God is not the author of confusion.
