

India Remembered: A Personal Account of the Mountbattens During the Transfer of Power (National Trust History Heritage) (English Edition) eBook : Hicks, India, Mountbatten, Pamela By India Hicks
Loved the book bc it had pictures that being said I've read a dozen books on each of them and it's always great to see them come alive in photos India Remembered: A Personal Account of the Mountbattens During the Transfer of Power (National Trust History Heritage) (English Edition) eBook : Hicks.

In March 1947 Lord Louis Mountbatten became the last Viceroy of India with the mandate to hand over "the jewel in the crown" of the British Empire within one year. Mountbatten worked with Nehru Gandhi and the leader of the Muslim League Jinnah to devise a plan for partitioning the empire into two independent sovereign states India and Pakistan on August 15 1947 and he remained as interim Governor General of India until June 1948. 'India Remembered' is a scrapbook of private family photographs taken during this historical period (Edwina Mountbatten walking arm in arm with Nehru through a courtyard or Gandhi taking tea for the first time at Viceroys House). Includes many anecdotes from Pamela Mountbatten's diaries such as reminiscences of having to leave 10 minutes before dinner was actually announced as the walk from the bedroom to the dining hall was so far (if running really late riding a bicycle through the corridors to make time). India Remembered: A Personal Account of the Mountbattens During the Transfer of Power (National Trust History Heritage) (English Edition) eBook : Hicks India Mountbatten Pamela Badly written uninteresting book. India Remembered: A Personal Account of the Mountbattens During the Transfer of Power (National Trust History Heritage) (English Edition) eBook : Hicks India Mountbatten India Mountbatten Pamela Good India Remembered: A Personal Account of the Mountbattens During the Transfer of Power (National Trust History Heritage) (English Edition) eBook : Hicks India Mountbatten Pamela A historic prospect of time when India gets independence from Britain and finds its own place in the international community. India Remembered: A Personal Account of the Mountbattens During the Transfer of Power (National Trust History Heritage) (English Edition) eBook : Hicks India Mountbatten Pamela Having been lucky to have travelled to India for work many times I have a huge warmth for the country and especially the people. What comes through here is that the Mountbattens truly loved India & its people at a time when it would have been expected for them to do their jobs and act like the colonials they were meant to be. India Remembered: A Personal Account of the Mountbattens During the Transfer of Power (National Trust History Heritage) (English Edition) eBook : Hicks India Mountbatten Pamela

Pamela It's so important to know who these people are. Especially today what with Harry and Meghan talking BS about the royals, What galls me the most is Oprah saying they need to look at themselves, Like these incredible people who devoted their lives to public service have some form of haughty racism, So for Meghan Markle to even hint at racism among the royals is an outright horrid lie: During this time Lord Mountbatten's daughter and India's mother Pamela was with her parents and kept a diary recounting this extraordinary tale of history, The diaries include their trips to stay

in Calcutta Bombay Madras Orissa and Assam and the exotic palaces of Indian rulers, Includes photographs evoking the atmosphere of the Mountbatten's favourite retreat that of Viceregal Lodge in Simla: There have been better books by proper writers about the Mountbattens and I would urge anyone to try them and give this one a miss: Pandit Nehru India's first prime minister is accurately portrayed as a visionary and statesman of world class, He and the Mount Battens forge a relationship that endures time and they become virtually relatives. Holy cow Batman what a bunch of baloney she spews. And people read into that as gospel. Oh hell no. Edwina Mountbatten had an affair (platonic?) with Nehru. This family loved south islanders. Loved Indians. Had the highest regard for brown and black people. It is an easy reading book and very enjoyable. Emotional and fascinating in equal measure
