

From Tadpole To Frog By David Stewart

Happy librarian needed book found here! Hope the teachers and students are happy with them too! The only downside is that I must catalogue them myself but it is worth the time and effort to be able to get materials not available elsewhere at these prices! From Tadpole To Frog we recently got a tadpole & are watching it grow into a frog (grow a frog kit) and we got this book to accompany it. the illustrations are really nice & it tells the story of how a tadpole turns into a frog in language that my 6 yr old can understand. 9x9 book contains 19 pages of text and illustrations 2 pages of frog facts then 2 pages of frog words and their definition such as Amphibians expand and froglet. Explains the lifecycle of tadpole to frog with easy to understand text and vibrant pictures, A must for science area when learning about pond life or Frogs: Great paperback From Tadpole To Frog From Tadpole To Frog : Stewart David: : Libri From Tadpole To Frog
