

Secrets and Rain: a heart-warming short story collection By Cally Taylor **Secrets and Rain ebooks online** EXCLUSIVE: Also includes the first three chapters of 'The Accident' Cally's first psychological thriller (writing as CL Taylor)REVIEWS FOR SECRETS AND RAIN'Secrets and Rain is a treasure trove brimming over with captivating stories of life loss and love. **Trains in the rain** A truly wonderful collection that you won't want to end!' *Miranda Dickinson* Sunday Times Bestseller (Fairytale of New York)'Each one of these stories is a wonderful glimpse into a moment in someone else's life. **Secrets and Rain booker** '*Scarlett Bailey* (Santa Maybe) 'Secrets and Rain is like dipping into a box of handmade chocolates some stories are sweet some are dark but each one is a perfectly crafted pleasure!' *Holly Hepburn* (Cupidity)If you decide that you would like to buy this book and I highly recommend that you do please do be prepared to have at least one box of tissues at the ready. **Secrets and rainkhol** uk* Secrets and Rain: a heart-warming short story collection

Cally Taylor's debut novel Heaven Can Wait has been translated in 13 languages and was voted 'Debut Novel of the Year' by chicklitreviews. **Secrets and rainlynn** I sometimes find short stories frustrating as there are obviously limits to how much you can learn about characters and how much empathy you can have for them when reading just a few thousand words. **Secrets and rainkhol** Dealing with the search for love bereavement and infertility amongst other subjects that women will relate to Secrets and Rain is a thought provoking collection that will make you appreciate what you have. **EBook Secrets and rainforest** As stand alone stories they would also be perfect for reading in those quiet five minutes coffee breaks bus journeys sat on the loo! The stories are all well structured and I felt satisfied by the endings something I don't always say when talking about this genre. **Book secrets of the underground** Cally Taylor I must say I don't read much fiction especially womens (I'm male) however on the strength of the other reviews Cally's reputation the low price and the fact this book is a compilation of quick reads I thought why not ? Maybe as I'm getting older I'm getting softer or maybe I just want some throwaway fast reading upon my Kindle but whatever I am so glad I bought this:

Secrets and Rain kindle app

Thirteen magical stories from the award winning author of HEAVEN CAN WAIT and HOME FOR CHRISTMAS, **Secrets and rainlendar** Grab a drink put up your feet and lose yourself in these heart warming tales of love loss and hope, **Secrets of the rainforest book** Peep inside the Little Box of Wishes discover how Two Red Balloons heal a rift between a mother and daughter and fall in love with Alfred the Rent a Cat: **Book secrets and lies** If youre a fan of the fiction in women's magazines youll love this collection of Cally's previously published stories, **Secrets and raink** Also included and available online for the first time three prizewinning stories: Wish You Were Here My Daughter the Deep Sea Diver and Under the Waves, **Book secrets in the dark** Poignant moving funny and always uplifting Cally's stories are the perfect escape, **Secrets and rainky** '*Kate Harrison* (The Secret Shopper)'A magical collection of stories packed full of charm humour and pathos: **Secrets of the underground** There will be tears!
