

THEME PARK PROJECT MANAGEMENT By Val Usle THEME PARK PROJECT MANAGEMENT In this book former Walt Disney Imagineer Val Usle captures best practice remedies to sources of drama that swirl around a Big Idea that has emerged from the shelter of Blue Sky and into a Project needing technical operational and commercial vetting The outcome of this vetting is binary - that is the Big Idea gets stronger and the Project goes onto the next phase of work or it dies and unceremoniously moves to an art vault Project Management is the process used to robustly vet the Big Idea by providing process lanes for a Team that includes an Artist at its nucleus However to be successful Project Management needsthan just a framework for artistic technical operational and business transactions It needs to address the human physics that comes with scary smart people working under pressure to help the Big Idea get stronger so that it overcomes all the reasons not to build it The human glue bridging the gap between pure process and effectively harnessing the team's talents is the Project Manager and that person's role is at the heart of this bookIn this book.

Theme park project management jobs

The author has a great outline but beyond the first few pages about how he got his first job at Disney (driving the monorail) there are really no stories. **Book THEME PARK PROJECT management trainee** Someone from the org needs to mento the consulting PM and check in with a frequency that does not micromanage but at the same time does not let the job get too far down the road. **THEME PARK PROJECT MANAGEMENT kindle books** Almost half the pages are blank (most chapters are a single page with the backside being empty) and it really reads like someone started the outline to a bookand decided to sell that instead of a book. **Theme park project management jobs** The subject matter is the creation of theme park attractions but its contents will be valuable to anyone tasked with taking a brilliant visionary's grand plans and giving birth to them in the real world. **THEME PARK PROJECT MANAGEMENT pdf editor** THEME PARK PROJECT MANAGEMENT The entire book is a masterpiece and has already relieved me of countless burdens of concern and will serve as a wise safari guide for the mountain sized endeavors ahead. **PDF THEME PARK PROJECT management jobs** He clearly recognizes the balance points needed to bring (very) smart people together to achieve what others might believe is impossible while minimizing the unnecessary pitfalls that come with the territory. **THEME PARK PROJECT MANAGEMENT pdffiller** THEME PARK PROJECT MANAGEMENT ————— REVIEW UPDATE: I am adding an additional comment to address a recent 'negative' / one star review of this book by another customer which IMO was not a fair review. **THEME PARK PROJECT MANAGEMENT booklet** I've read (and thoroughly enjoyed) many of those memoirs myself including "In Service to the Mouse by Jack Lindquist" "Dream It! Do It! by Marty Sklar" "Designing Disney by John Hench" and even Bob Iger's recent memoir in 2019. **THEME PARK PROJECT MANAGEMENT epub reader** IMO this is an excellent (and arguably required) read for anyone in the professional fields of architecture/engineering consultancy professional project management and especially students and young professionals. **Star-trek-enterprise THEME PARK PROJECT management software**

----- If you work in project management if you aspire to work in project management or if you're committed to bettering yourself as a project manager you MUST read this. **THEME PARK PROJECT MANAGEMENT epub** If I had this resource available when I entered my first internship or my first job post graduation I would've been much better equipped and aware of how things get done and how it happens. **THEME PARK PROJECT MANAGEMENT epub file** With that in mind I'll sum up this review like this: in all of those years of reading former Walt Disney Imagineer Val Usle captures best practice remedies to sources of drama that swirl around a Big Idea that has emerged from the shelter of Blue Sky and into a Project needing technical operational and commercial vetting. **PDF THEME PARK PROJECT management software** The outcome of this vetting is binary - that is the Big Idea gets stronger and the Project goes onto the next phase of work or it dies and unceremoniously moves to an art vault. **Book THEME PARK PROJECT management software** It needs to address the human physics that comes with scary smart people working under pressure to help the Big Idea get stronger so that it overcomes all the reasons not to build it. **Book THEME PARK PROJECT management software** In this book former Walt Disney Imagineer Val Usle captures best practice remedies to sources of drama that swirl around a Big Idea that has emerged from the shelter of Blue Sky and into a Project needing technical operational and commercial vetting. **Book THEME PARK PROJECT management software** The outcome of this vetting is binary - that is the Big Idea gets stronger and the Project goes onto the next phase of work or it dies and unceremoniously moves to an art vault. **Book THEME PARK PROJECT management software** It needs to address the human physics that comes with scary smart people working under pressure to help the Big Idea get stronger so that it overcomes all the reasons not to build it. **THEME PARK PROJECT MANAGEMENT epub.pub** He was a PM for Tokyo Disney but you won't get any great stories about it. **Star-trek-enterprise THEME PARK PROJECT management jobs** What you get is about 150 pages of a very thin PowerPoint slide show (see photos): **THEME PARK PROJECT MANAGEMENT publishing** You get helpful tips like When using a consultant Project Manager Benefactors cannot afford to limit their oversight to periodic milestone reviews: **EBook THEME PARK PROJECT management** **THEME PARK PROJECT MANAGEMENT** While I do think there are nice points and thoughts in this book for the price I expected something fleshed out: **EBook THEME PARK PROJECT management** **THEME PARK PROJECT MANAGEMENT** This book is an incredible resource for turning big crazy ideas into reality written by someone who has done it time and again, **Star-trek-enterprise THEME PARK PROJECT management trainee** It is written in the style of a best practices guide being passed from a mentor to his beloved protege. **THEME PARK PROJECT MANAGEMENT pdf** Its bullet point format shows a respect for the valuable time of the reader and makes it easy for the reader to return later for timely guidance. **THEME PARK PROJECT MANAGEMENT kindle store** Val Usle has distilled 40+ years of the very best of practices that only come from experience, **Book THEME PARK PROJECT management software** Any potential customer who purchases this needs to be aware that this is NOT another Disney Imagineering memoir: **THEME PARK PROJECT MANAGEMENT kindle unlimited** While those are entertaining works which do include anecdotes that relate to leadership and project management they are not an 'apples to apples comparison to Val Usle's book, **THEME PARK PROJECT MANAGEMENT booklet** Rather Val's book is a focused compilation of leadership & project management lessons. **Star-trek-enterprise THEME PARK PROJECT management software** Simply put this is a book on a much different mission than sharing Disney anecdotes for fans. **Star-trek-enterprise THEME PARK PROJECT management trainee** As a consumer you should be aware of that but interested nonetheless, **Theme park management software** On a personal note I want to specifically recommend this to any architecture or engineering student, **THEME PARK PROJECT MANAGEMENT book** This book was derived from Val's 40+ years as an architect & project manager for Walt Disney Imagineering but the principles apply to our profession as a whole. **THEME PARK PROJECT MANAGEMENT ebookey** Some of the terms differ slightly (as they usually do from one company to another) but the key roles and role players are common to most

project processes, **Book THEME PARK PROJECT management software** The format is 60+ concise 1 2 page best practices & scenarios for project managers and teams, **THEME PARK PROJECT MANAGEMENT ebooks online** I've been in so many meetings and project conversations over the years and Val was able to capture the nuances of nearly every key meeting and circumstance I could think of. **THEME PARK PROJECT MANAGEMENT book** As I've been reading it I can literally think of the names faces and conversations where I learned the principles in the book, **Book THEME PARK PROJECT management software** I've learned that your career development is usually with a 70/20/10 split: 70% learn by doing 20% learn by mentoring 10% learn by training, **Book THEME PARK PROJECT management software** In my opinion Val's book is the most 'knowledge for your dollar' that you'll find for that 20% and 10%: **THEME PARK PROJECT MANAGEMENT pdffiller** I committed to the discipline of 1 book per month early in my career, **THEME PARK PROJECT MANAGEMENT kindle app** Back then I focused on leadership and teamwork the oft overlooked but most fundamental part of every project: **EPub THEME PARK PROJECT management** Like you I've had both good and bad teams and both wise and ineffective leaders: **THEME PARK PROJECT MANAGEMENT pdffiller** I wanted to study good teamwork principles so I didn't have to learn everything the hard way: **THEME PARK PROJECT MANAGEMENT epublising** True there are many good Leadership & Teamwork books resources and even podcasts out there, **PDF THEME PARK PROJECT management software** But to my knowledge this is one of the few specifically tailored to project management. **THEME PARK PROJECT MANAGEMENT epublising** Project Management is the process used to robustly vet the Big Idea by providing process lanes for a Team that includes an Artist at its nucleus. **Star-trek-enterprise THEME PARK PROJECT management trainee** However to be successful Project Management needs more than just a framework for artistic technical operational and business transactions: **THEME PARK PROJECT MANAGEMENT kindle unlimited** The human glue bridging the gap between pure process and effectively harnessing the team's talents is the Project Manager and that person's role is at the heart of this book: **THEME PARK PROJECT MANAGEMENT epub.pub** Project Management is the process used to robustly vet the Big Idea by providing process lanes for a Team that includes an Artist at its nucleus: **EBook THEME PARK PROJECT management** However to be successful Project Management needs more than just a framework for artistic technical operational and business transactions. **THEME PARK PROJECT MANAGEMENT pdf editor** The human glue bridging the gap between pure process and effectively harnessing the team's talents is the Project Manager and that person's role is at the heart of this book[1]

This is firmly in my All Time Top 3. This book is the outline for a book. This isn't a collection of Disney anecdotes. Readers looking for that will be disappointed. Well worth your time and money. Each is clear concise relatable practical relevant. And it doesn't have a peer. **THEME PARK PROJECT MANAGEMENT.**
