 Architecture [Lingua Inglese] Descriptions of recent or recent ish buildings in Manhattan and  
 Brooklyn and along the East River seen on 10 self guided walking/subway/ferry tours plus 20 away  
 from the tours. **NYC walkstoff** Like the best architectural guides not only are the buildings  
 themselves described but where necessary they are also placed in the context of their  
 neighborhoods and in the architectural and social history of New York City. **Book NYC walksnail**  
 Written in lively fashion by a knowledgeable architect who actually leads walking tours “as a day  
 job” its characteristics include :• very clear maps;• beautiful pertinent photos;• a sturdy  
 construction without undue weight that would make it uncomfortable to haul  
 around:reinventMobileHeaderPrice { font weight: 400; } #apex\_offerDisplay\_mobile\_feature\_div.  
**Nyc walkway highline** Too bad but photos do mean a higher book price NYC Walks: Guide to New
