OTT insta love romance. They find themselves in a dire situation. Remus is happy to buy some time until they can escape. It takes a strange turn that ends in a happy ending. You will get interested as soon as you start reading. But I need help. This is an extra steamy story. It is unique and cute and definitely flirty. It is fast paced and interesting and a good read. And using the real thinggiggle.sooo much better for them. It fit with the story but that's not my preference. Also the ending felt cut short.I loved our two leads separate and together. More together lol. Great writing skills funny and interesting concepts. Great characters fun plot. I'm just sorry that it wasn't longer. The work I do in the shadows keeps people safe. It's what I do. Its who I am. What I am not is a fucking sex bot. Now I'm trapped
